The goal of the DASA (Dignity for All Students Act) is to create a safe and supportive school climate where students can learn and focus, rather than fear being discriminated against and/or verbally and/or physically harassed. All public elementary and secondary school students have the right to attend school in a safe, welcoming, considerate, and caring environment. For more information, go to our district website at http://www.lakelandschools.org

"Cyberbullying is bullying that takes place using electronic technology. Examples of cyberbullying include mean text messages or emails, rumors sent by email or posted on social networking sites, and embarrassing pictures, videos, websites, or fake profiles. Once you post information on-line, you can't take it back! Think before you post and share.
