FALL 2018

Dear Lakeland School District Resident:

One goal of the Lakeland School District is lifelong learning. You are a very important part of this goal. As lifelong learners, you demonstrate to the students of Lakeland that this goal is achievable.

We are pleased to present our fall brochure. Again, we are offering an array of courses to meet any interest. These range from personal fulfillment to self growth.

The majority of courses run for eight weeks. If you can't commit to a full session, take a look at the mini-sessions offered in the brochure. There's sure to be a course or activity to pique your interest.

We look forward to having you as a part of our Continuing Education Program. Lakeland is a community of learners in which we all play a vital role.

MUSIC

49. NEW! Roots of Rock—The History of Blues Music

3 WEEKS, TUESDAYS, 10/2-10/16

7:00-9:00 P.M. / LHS-190

FEE: \$65

Learn about the history of blues music and its development into Rock' n' Roll. The journey starts with origins in Africa. The development of Chicago as the center of electric blues is discussed, and the development of Rock' n' Roll with Elvis Presley in Memphis is covered in detail. Several bands that were originally blues bands, including the Rolling Stones, Led Zeppelin, Fleetwood Mac, Cream, and Eric Clapton, are covered. The story continues up to the present, discussing blues greats such as B.B. King and the group Hot Tuna, derived from the Jefferson Airplane. The final class is devoted to harmonica players, which had a very central role in blues music. Throughout the course, examples are given from recordings and live playing by the instructor. Books and recordings are recommended.
