Art work by Lincoln-Titus Elementary School student artists

Our students and staff continue to reach out to help others. (Above), Van Cortlandville ES students "Chase the Chill" made scarves, mittens, etc. available at the Peekskill Library for anyone to use to stay warm. (Right), Lakeland Copper Beech MS staff and students continued their annual 'Hair-A-Thon' efforts again last year donating their hair to Children With Hair Loss, an organization that helps those who need it.

The goal of the Dignity for All Students Act (DASA) is to create a safe and supportive school climate where students can learn and focus, rather than fear being discriminated against and/or verbally and/or physically harassed. All public elementary and secondary school students have the right to attend school in a safe, welcoming, considerate, and caring environment.

Every person has a right to his or her own beliefs. Regardless of those beliefs, educators have an obligation to ensure that all students in our schools feel safe, both physically and emotionally.

Information and resources (Policy # 5151) can be found on the district web page at www.lakelandschools.org or by contacting Mel Rafferty, Supervisor of for Alternative Programs at ext. 39119.
