Dear Parents/Guardians:

Under the Sex Offender Registration Act (Megan's Law), the Lakeland Central School District has received notification from the Yorktown Police Department that a Level 3 sex offender is residing within the school district in Cortlandt Manor, NY. Level 3 sex offenders are those individuals who pose a high risk of committing sexual offenses again. As per district policy, relevant and appropriate information regarding this offender is posted on the district website (<http://www.lakelandschools.org/meganslaw>).

You may obtain further information by contacting the New York State Sex Offenders Registry at 1-800-262-3257. Information can also be accessed on-line at: <http://criminaljustice.state.ny.us/nsor/index.htm>.

Please take time to speak with your children about contacts with strangers and safety measures, and to encourage them to speak with you about situations that make them feel uncomfortable. District staff continues to work with children on appropriate strategies to protect themselves in situations that are potentially dangerous to them.

If you would like more information on Megan's Law, you can access the website called "Parents for Megan's Law" at www.parentsformeganslaw.com. They note that the most important measure that you can take is to never leave children unsupervised.

The Lakeland Central School District administration is ensuring that all staff members are aware of this information. Continued education and dialogue between the school district, parents/guardians and community members create a safer environment for children and promote a reasonable response to threats to our children's safety.

Thank you for your attention to this important matter.

Sincerely,

George E. Stone, Ed.D.
Superintendent of Schools
