Lakeland Copper Beech Middle School presents...

Our 6th Annual Hair-A-Thon
Monday, May 11, 2020
4pm – 8pm

Due to the continued generosity of Hair Liberation, located at 3681 Hill Blvd. in Jefferson Valley, the Hair-A-Thon will take place again this year in their salon!

Children With Hair Loss (a non-profit organization) was created as a resource for ALL CHILDREN who have medical-related hair loss. It is their mission to empower these children to feel whole again by making the highest quality hairpieces available to families who may be financially challenged and might otherwise not have a means to obtain the hairpieces for their children.

Their goal is to assist as many of these children as possible by improving their outlook and empowering them with self-confidence. Visit the Children With Hair Loss website for more information http://www.childrenwithhairloss.us.

Please consider donating your hair to help us “Cover Young Heads to Heal Young Hearts”. Your donation will go toward creating custom, high-quality hair replacements for children with hair loss.

In order to do so please follow these requirements:

- Hair should be at least 8 inches in length or longer is preferred.
- Hair must be clean and dry.
- Non-chemically treated hair is preferred, but all hair in good condition will be accepted.
- Gray hair is accepted.

Licensed hair stylists will cut donated hair free of charge.
No appointment necessary! Just come by!

We are also accepting monetary donations that are needed for CWHL to provide hair replacements to children at no charge to the families in need.
If you have any questions, please email Stephanie Hudson or Kim Cardillo at Lakeland Copper Beech Middle School.
