Located in Shrub Oak, NY, with a total population of 930 students in grades 9-12 and a senior class of 242 students, Lakeland High School is one of two high schools that constitute the largest suburban school district in Westchester County. Along with its sister school, Walter Panas High School, Lakeland High School attracts a culturally diverse and talented student body from over 40 square miles in northern Westchester.

Accredited by the Board of Regents of the University of the State of New York, Lakeland High School boasts a rich variety of academic offerings, ranging from AP, College, and Honors level coursework for all our students, as well as a robust program for the disabled population. GRADING POLICY AND CLASS RANK

Please note that during the 20-21 school year, final grades reflected an average of a student's four quarterly grades only.

Grades are earned on a numerical scale from 0-100, with final grades reflecting an average of a student's four quarterly grades and the end-of-year final and/or Regents examination. Student transcripts are a record of the student's best performance in courses completed through the end of the sixth semester, as well as a listing of senior year courses in progress.

NOTE: Students are not ranked. Both an unweighted and weighted cumulative GPA are provided on the student transcript. A weighted cumulative GPA is calculated based upon the following values:

Honors = plus 4 pts., AP = plus 5 pts.

Courses with college credit agreements are given Honors weight.

The following represents the sixth semester unweighted GPA distribution for the class of 2022:
