September 7, 2017

Dear Parents and Guardians:

Welcome Back! We hope that your school year is off to a great start! In an effort to continue our focus of communication and collaboration, I would like to make you aware of a few points. We create “Weekly Bulletins” and post them to our website at the end of the week (Friday afternoon) for the upcoming week to help make all aware of the many activities that are going on in our building. These bulletins include letter days, music days, after-school activities, clubs, and sports schedules and other happenings and upcoming events that are taking place. A PowerPoint version of this bulletin is also scrolling on monitors in the hallways of our building for students to view during their between class passing times and lunch periods. Please visit the “Daily Message” link on our Quick Links section of our webpage to read these important documents.

Please also know that a multitude of information about our school is available in the Student Handbook which is also available on our website. We highly encourage that you take a few minutes to read this document with your children since it includes topics such as our district’s Code of Conduct, our Cell Phone policy, our PBIS program, Honor and Credit roll information and much more.

As we conclude our first week, we ask that everyone wear our school’s colors, black and gold, on Friday to show school spirit. We also ask that everyone wear our nation’s colors of red, white and blue on Monday to honor September 11th as it is Patriot Day.

As a reminder, our 2017-2018 Back to School Nights are as follows:

6th Grade: Monday, September 11
7th Grade: Monday, September 18
8th Grade: Monday, September 25

The night will **begin promptly at 6:30 p.m.**, with all parents reporting to our large Cafeteria A. At this time, we will give a brief overview of how the night will proceed. Once this is done, you will follow your child’s schedule and spend approximately 10 minutes in each of your child’s classes except Lunch and Flex. We are excluding Flex because this is an extension of the core classes which you will visit earlier in the evening. If your child receives AIS, know that Ms. Cilento and Ms. Peters will be available to meet with you in room 306. **Please be sure to bring a copy of your child’s “mock schedule”, which they will create in school, with you so you can experience their school day.**

We look forward to seeing you then!

All the Best,

Rob Bergmann
Principal
