

# Lakeland Chromebook Repair and Replacement Fees

2020-2021 School Year

Grades 6-12

Grade	Device provided	Fees
6	New Chromebook	If the device is damaged and it is covered under the warranty, there will be no charge. If the repair is not covered under warranty, a flat \$25 will be charged. If there is intentional misuse or the device is beyond repair, or the device is lost or stolen, it is expected that the family will pay to replace the device at a cost of \$225.
7	1 Year Old Chromebook (student receives his/her assigned Chromebook from last year)	If the device is damaged and it is covered under the warranty, there will be no charge. If the repair is not covered under warranty, a flat \$25 will be charged. If there is intentional misuse or the device is beyond repair, or the device is lost or stolen, it is expected that the family will pay to replace the device at a cost of \$150.
8	2 Year Old Chromebook (student receives his/her assigned Chromebook from last year)	If the device is damaged and it is covered under the warranty, there will be no charge. If the repair is not covered under warranty, a flat \$25 will be charged. If there is intentional misuse or the device is beyond repair, or the device is lost or stolen, it is expected that the family will pay to replace the device at a cost of \$100.
9	New Chromebook	If the device is damaged and it is covered under the warranty, there will be no charge. If the repair is not covered under warranty, a flat \$25 will be charged. If there is intentional misuse or the device is beyond repair, or the device is lost or stolen, it is expected that the family will pay to replace the device at a cost of \$225
10	1 Year Old Chromebook (student receives his/her assigned Chromebook from last year)	If the device is damaged and it is covered under the warranty, there will be no charge. If the repair is not covered under warranty, a flat \$25 will be charged. If there is intentional misuse or the device is beyond repair, or the device is lost or stolen, it is expected that the family will pay to replace the device at a cost of \$150.
11	2 Year Old Chromebook (student receives his/her assigned Chromebook from last year)	If the device is damaged and it is covered under the warranty, there will be no charge. If the repair is not covered under warranty, a flat \$25 will be charged. If there is intentional misuse or the device is beyond repair, or the device is lost or stolen, it is expected that the family will pay to replace the device at a cost of \$100.
12	3 Year Old Chromebook (student receives his/her assigned Chromebook from last year)	If the device is damaged and it is covered under the warranty, there will be no charge. If the repair is not covered under warranty, a flat \$25 will be charged. If there is intentional misuse or the device is beyond repair, or the device is lost or stolen, it is expected that the family will pay to replace the device at a cost of \$50.
Grades 6-12	Replacement Chargers	If a charger is lost or stolen, a flat fee of \$25 will be charged.

- If there are 2 or more instances of misuse or neglect of the device, the building administrators may recommend that the student not be assigned a device to be brought home.
- Replacement devices may not be a new device but comparable device to the one being replaced.
