SCHOOL AND COMMUNITY
Lakeland High School is a comprehensive, four-year public secondary school within the Lakeland Central School District. Located in Shrub Oak, NY, with a total population of 961 students in grades 9-12 and a senior class of 222 students, Lakeland High School is one of two high schools that constitute the largest suburban school district in Westchester County. Along with its sister school, Walter Panas High School, Lakeland High School attracts a culturally diverse and talented student body from over 40 square miles in northern Westchester.

Accredited by the Board of Regents of the University of the State of New York, Lakeland High School boasts a rich variety of academic offerings, ranging from AP, College, and Honors level coursework for all our students, as well as a robust program for the disabled population. Students are encouraged, in conjunction with the combined efforts of parents, teachers and school counselors, to pursue the most appropriately challenging academic level en route to becoming life-long learners. Students are similarly encouraged to become active members of the school community through participation in Lakeland High School’s extensive athletic and co-curricular offerings.
