SCHOOL AND COMMUNITY

Lakeland High School is a comprehensive, four-year public secondary school within the Lakeland Central School District. Located in Shrub Oak, NY, with a total population of 976 students in grades 9-12 and a senior class of 257 students, Lakeland High School is one of two high schools that constitute the largest suburban school district in Westchester County. Along with its sister school, Walter Panas High School, Lakeland High School attracts a culturally diverse and talented student body from over 40 square miles in northern Westchester.

Accredited by the Board of Regents of the University of the State of New York, Lakeland High School boasts a rich variety of academic offerings, ranging from AP, College, and Honors level coursework for all our students, as well as a robust program for the disabled population. Students are encouraged, in conjunction with the combined efforts of parents, teachers and school counselors, to pursue the most appropriately challenging academic level en route to becoming life-long learners. Students are similarly encouraged to become active members of the school community through participation in Lakeland High School's extensive athletic and co-curricular offerings.

FACULTY

Lakeland High School has a professional staff that includes 97 full and part-time teaching faculty, six school counselors, two school social workers, two school psychologists and one student assistance counselor. The average general education class size is approximately 26 students. School counselors work comprehensively with students in grades 9-12 for all four years.

GRADING POLICY AND CLASS RANK

Grades are earned on a numerical scale from 0-100, with final grades reflecting an average of a student's four quarterly grades and the end-of-year final and/or Regents examination. Student transcripts are a record of the student's best performance in courses completed through the end of the sixth semester, as well as a listing of senior year courses in progress.

NOTE: Students are not ranked. Both an unweighted and weighted cumulative GPA are provided on the student transcript. A weighted cumulative GPA is calculated based upon the following values:

Honors = plus 4 pts., AP = plus 5 pts.
Courses with college credit agreements are given Honors weight.

The following represents the sixth semester unweighted GPA distribution for the class of 2021:

100 - 95	44 students	79.9 - 75	14 students
94.9 - 90	97 students	74.9 - 70	6 students
89.9 - 85	57 students	69.9 - 65	0 students
84.9 - 80	39 students
