

# About the Rotary Club of Lebanon, Ohio

The Rotary Club of Lebanon, Ohio was formed on November 19, 1920 with the purpose of bringing the community together through acts of service. The Rotary Club of Lebanon, Ohio serves the Lebanon community by producing incredible events such as the Lebanon Country Music Festival and Rotary concerts in Bicentennial Park. The Rotary also supports our community by providing:

- The Service Above Self Scholarship. A core mission of the Lebanon Rotary is to provide scholarships to graduating seniors who plan to further their education by attending a post-secondary school.
- Rotary Youth Leadership Awards. Each spring, the Lebanon Rotary partners with Lebanon City Schools to select one or more high school sophomores and juniors to attend a leadership development program. This program is funded by the Lebanon Rotary Club and focuses on the mission of Service Above Self by developing the youth of today into the leaders of tomorrow.
- International Youth Exchange. The Lebanon Rotary Club is one of 12 clubs out of 47 in the district which actively participates in the Rotary Youth Exchange Program. This incredible experience facilitates 15-19 year old high school students in international travel and living where they will be embedded in the culture for an entire school year.
- 4-Way Speech Contest. Each winter, students from Lebanon High School and the Warren County Career Center compete in a speech contest based on the Rotary 4-Way Test.
