Riverton City News

August 2015

Mayor Bill's Message

The new commercial development "Mountain View Place (MVP) at Riverton" is continuing to move towards a 2017 opening. This is the same 85-acre CenterCal commercial development that was previously announced. It will be located on the north side of 13400 South between Bangerter Highway and Mountain View Corridor. This development is part of the 600-acre LDS Church farm property.

MVP at Riverton is set to become the largest and most unique commercial development ever built in the southwest part of Salt Lake County. It is not a typical shopping center. It will be a gathering place where individuals and families can visit, hang out, and have a wonderful time at no cost. MVP will be a major destination for shopping, featuring a variety of quality retail stores, both large and small, to meet your shopping needs. A defining feature will be the "village" component of the development that will include numerous restaurants, a state of the art luxury seating movie complex, and an outdoor stage for free family concerts. The crown jewel of the village will be a beautiful, high-tech water feature and fountain, as well as beautiful art sculptures. Furthermore, it will provide a significant boost to the tax base for Riverton City, helping us to secure financial stability for the future.

We hope our citizens are as excited about MVP at Riverton as our elected officials and staff. Many residents have inquired about what exactly this new development will include. While I have done my best to describe it, the best way for you to know is to experience it for yourself! Please take the opportunity to join us August 13 – 16 at the CenterCal commercial development, Station Park, in Farmington. MVP at Riverton will be similar to Station Park, but the Riverton development will have additional features. Check our website at www.rivertoncity.com for information on limited free Frontrunner passes during these days, as well as four person all-day group passes available for \$10. In addition to a beautiful fountain show each day, as well as great stores, restaurants, and a movie theater complex, what else will be going on at Station Park in August?

Visit Station Park in Farmington

- **August 13, 14, and 15:** visit our Riverton City table for your welcome bag from Riverton City and Station Park.
- **August 13:** FREE CONCERT "Simply Swinging: Sinatra & Friends Tribute"
- **August 14:** Fountain Extravaganza
- **August 15:** FREE CONCERT "T Minus 5 A Capella Concert"

As Jeanne and I have visited Station Park many times in the last year, we have seen all ages of people having a wonderful time involved in different activities. CenterCal has stated that it is their goal to create a place where several generations can gather and have a great experience. Please join with us and have a great time at Station Park! For more information visit www.shopatstationpark.com.

Sincerely,

Mayor Bill

Auditions for "Peter Pan Jr."

All youth between the ages of 7 and 15 are invited to audition for the Riverton Arts Council production of "Peter Pan Jr."

Auditions will be held
Friday, August 21 • 6:00 – 9:00 p.m.
Saturday, August 22 • 9:00 a.m.-noon
at the Sandra N. Lloyd Community Center, 12830 S. Redwood Rd.

All auditioners will need to bring a current photo and updated resume, and be prepared with 16 bars of a song in the style of the show. Bring music minus track on MP3 or CD form, or an accompanist will be provided, if needed. Character descriptions and audition packets are available online at rivertonartscouncil.org.

For more information please contact Lani King at racpeterpan@gmail.com

Riverton City presents
MOVIES in the Park

Movies in the Park... and NEW Food Truck Frenzy Events
Food, fun and a movie the entire family will love. Bring your blankets and join us on the event lawn at the Riverton City Park beginning at 6:00 p.m. when a variety of food truck vendors will be on hand for a tasty meal before the movie.

- Aug 14 Into The Woods
- Aug 21 Million Dollar Arm
- Aug 28 The Lego Movie
- Sept 18 Chitty Chitty Bang Bang

Riverton City Street Sweeping: Help us Keep Streets Clean!

The street sweeping truck is in use all year, except during wet weather and when temperatures are below freezing. One street sweeping operator takes on 130 miles of road every work day. To help us sweep as much dirt and leaves as possible we need your help to keep roads clear of obstructions, including: over-hanging trees, vehicles, trailers, dirt piles, forgotten trash receptacles, basketball hoops and temporary gutter ramps. The occasional parked or visiting vehicle is not a big concern because these vehicles are usually gone the next time around. It is the regular parking of vehicles during work hours and other obstacles that are abandoned or stored in the road that hinders sweeping capabilities. Thank you for your help as we strive to increase the productivity of our sweeping operations.

Promoting Health & Safety in Your Yard

Now is the best time to stress your lawn by watering less. Stressing your lawn causes the roots to grow deeper to look for water. When the roots are forced to grow deeper, they reach a level farther away from the surface making them less vulnerable to heat and lack of water. Also, most of Riverton's soil is a clay base. The clay base will hold water longer and is considered to be a cooler soil than top soil. If the roots are allowed to reach the clay soil, your lawn will stress less and become healthier, requiring less water for maintenance.

In addition, if you have a fire hydrant in front of your home, help keep the hydrant accessible by removing surrounding weeds. If there is a fire on your street, the fire department will be able to respond better if they do not have to search for the hydrant. Keeping your water meter accessible by mowing around it is also important and will be greatly appreciated by your water meter reader.

Finally, if you are interested in painting fire hydrants for your Eagle Scout Project, please contact the Water Department at (801) 208-3164.

RIVERTON CITY Farmer's Market

Riverton City Park
12600 S. 1452 W.
