Riverton City News

July 2015

Mayor Bill's Message

Fay Stone Stradley was honored during the City Council meeting on June 16 as the most tenured individual, consistently living as a long-term resident. Fay was born on March 14, 1920, and has lived her entire 95 years in Riverton. She said in her history, "My sweetheart (Dallas), my husband was born in Idaho. After we were married we rented a little apartment in Riverton. He became a Rivertonite!

*Riverton our love for you keeps shining through,
When skies are blue or grey.
We can't erase the memories we always face,
When we are far away.
Your quiet streets, your flowers so sweet, your friendly neighborhood
Make life worthwhile as heavens smile upon all that is good.*

*Riverton, we honor you, our town so neat and true.
We honor you because we love you so.
Let your light so shine to welcome us at any time
And to guide us wherever we may go
Your trees so high, your clear blue sky, your handshakes, your smiles
Welcome us as we return to our dear town from never ending miles.*

*Riverton, may your banners fly far into the sky
While the sun is high or low.
You hold a spot deep in our hearts
No matter where we may go.*

*You are a beacon rare, an answer to our prayer and a city fine,
Eternally you will be dear to me throughout all eons of time.
Riverton, we love you so, Riverton we do!
We will forever love you! To you we will be true!*

*by Fay
Stradley*

What a beautiful love story between a woman, her husband and her town. In referring to Dallas she said, "Our love and memories would remain with us in our 68 wonderful years of togetherness."

Sincerely,

Bill

Mayor Bill

Summer Holiday Tips From Riverton Stormwater

There's nothing better than summer, filled with friends, family and summertime parties. Please note the following tips, to help keep our creeks and rivers clean this summer.

- Use a shovel and broom, rather than a hose to clean out gutters following yard maintenance projects.
- Immediately following firework parties, sweep the fireworks from roads, sidewalks and driveways. Many fireworks left in the street and gutters will end up in our creeks and rivers.
- This year, try doing some of your fireworks on your front lawn. It will keep kids out of the road and the cleanup will be easier.
