Bash & Troll Stroll

Join Riverton City's Youth **City Council!**

Meeting Hall at the Riverton City Park.

Let your voice be heard. Attend a public hearing and write down your opinion about the transit corridor and what type of corridor that should be: regular bus, enhanced bus, BRT, or TRAX corridor. The decision the City Council will make in 2016 is whether this preferred transit corridor has an environmental study done. UTA will never construct a BRT or light rail (TRAX) line in any city without the approval of their City Council.

Sincerely, Bel Mayor Bill

Report A Problem Online

To report a problem online, visit the City's website at www.rivertoncity. com, click on E-Services on the dropdown menu titled, "Report a Problem" and follow the steps to enter your request. We thank you in advance for your feedback, it helps us better communicate and manage requests effectively.

Screaming Balloons

October 2015

Mayor Bill's Message

Please attend the South Valley Services "Stop Domestic Violence Community Fair" on October 22 from 6 – 8:00 p.m. in the Sandra N. Lloyd Community Center. Then on October 29, you are invited to attend a UTA potential transit corridor open house from 4 - 7 p.m. in the Old Dome

Domestic Violence: We are very fortunate to have the South Valley Services Community Resource Center in the Sandra N. Lloyd Community Center. This center is designed to help individuals understand the causes and solutions for

domestic violence. They teach classes, have individual counseling, and other resources available to help you. They can be reached at 801-255-1095 extension 251.

Is Additional Transit Coming to Riverton? The 2010 Southwest Salt Lake Transit Feasibility Study looked at numerous transit routes to connect the Day Break light rail (Trax) Station with the Draper Front Runner Station. The study determined that the preferred route was 13200 South, west of Bangerter, and 12600 South, east of Bangerter. The preferred route has been, and will continue to be studied. The City Council authorized open houses to be held concerning this transit alignment. The next open house is scheduled for October 29, and then there will be two additional open houses in 2016. After the last open house in 2016, the City Council will

determine if an environmental study should be completed for this corridor. When would additional transit be constructed? In the first phase of the long range plan (2015-2025) this corridor is to be studied further. However, the long range plan (2015-2040) does not include any funding in this financially constrained plan for construction of any transit alternatives.

Why worry about a transit corridor now, when nothing will be built for many years? The purpose of this study is to establish a transit corridor, so the corridor west of Bangerter can be purchased if UTA has funding available, or have land donated by developers, as was the case for Mountain View Corridor. Most of the transit corridor west of Bangerter Highway has been designated as a light rail corridor. The transit corridor east

Oct. 29 UTA Potential Transit Corridor Open House 4:00 pm - 7:00 pm

of Bangerter, on 12600 South, has been designated as an enhanced bus corridor, but in the future could be designated as a BRT or light rail (Trax) corridor. It is acknowledged that having an enhanced transit system will have an impact. However, there are substantial benefits that come with this as well, including improved air quality and access for Riverton citizens to the world-class transportation system that has developed in our region.

Water News:

Winterization of secondary irrigation will begin October 15. City Water employees will begin draining water from the main lines after the Canal Companies turn the water off. Please leave your secondary ball valves open for 30 days Homeowners using a hose bib attachment need to remove the hoses. If you have above ground PVC piping that is attached to the ball valve, make sure the pipe is drained before storage.

If you have the "swing with the RPZ valve," disconnect the swing from the supply line you are using, leave the secondary valve open and the culinary stop-n-waste valve turned off. The RPZ should be removed from the piping with the stand pipes covered. It is recommended that the RPZ valves be turned at a 45-degree angle and stored in an area to protect from freezing. Residents are responsible for draining their own sprinkler system. The

Water Department's responsibility stops at the secondary stop-waste, and the culinary water meter.

Please make sure the metal lid covering the culinary water meter is on tight and does not have a gap for cold air to enter. In later issues we will remind residents to "close" the secondary ball valve before the system is tested and filled for next spring. Ball valves can be closed mid-November.

October is **Clean-Up Month**

October is "Clean-up Month" and a great time to get your homes and yards cleaned and ready before winter. To help you get going, the City is offering coupons to residents for a discount on one load of disposal at the Trans-Jordan Landfill. Coupons for the month of October will be available for pick up at the Utility Billing and Reception windows at City Hall throughout October

Please RECYCLE whenever possible.

Riverton City Youth Council Corner: Building Leaders for the Future

We're looking for new members! All 7th - 12th graders interested in community service, learning leadership skills, and participating in fun activities are invited to apply. Get involved as we prepare for our Back to School Fest, Riverton City Town Days, and more! We meet the second and fourth Tuesday of each month at 4:30 p.m. at the City Offices. If you are interested, please call our Youth Council Mayor Alexa at (801) 254-1899.

Musical and Dance Talents needed! Choir members, orchestra members and dancers needed! Be a part of Riverton City's upcoming Christmas Concert to be held at Riverton High School, Friday, December 4. If you are 16 or older and love to sing or dance, please call or e-mail Lynette Milne at 801-201-0007 or lynettemilne@ gmail.com, and leave your name, age/adult, what part you sing or if you dance. If you are experienced in playing with an orchestra, please contact Kim Rimmasch at 801-243-2244.
