# Riverton City News

February 2016

## Mayor Bill's Message

Another item from my State of the City report to the City Council on January 5, 2016, was a comparison of the combined city utility fees for the following municipalities: Riverton, Bluffdale, Draper, Herriman, and South Jordan.

### Comparison of Combined City Utility Fees as of November 2015

City	Riverton	Bluffdale	Draper Avg Zone 1-3	Herriman Avg Zone 1-9	So Jordan Avg Area A-C
<b>Annual Fees</b>					
Culinary Water 7,000 gal	358.44	282.60	472.40	545.24	555.76
Sanitation 1st Tote & 1 Recycle	12.00	165.00	180.00	177.00	162.00
Storm Water	72.00	60.00	84.00	-	102.00
Park Fee	-	-	-	60.00	-
Street Lighting (within subdivision)	-	72.00	-	-	-
<b>Total Utilities</b>	<b>442.44</b>	<b>579.60</b>	<b>736.40</b>	<b>782.24</b>	<b>819.76</b>

As you will see, the following Cost of Core Services table provides a summary of this comparison to further demonstrate how Riverton City residents benefit from among the lowest costs in City fees.

### Cost of Core Services

*Sanitation, Storm Water Utility, Parks, Street Lights, and Water compared to our neighbors*

Sanitation	By far the lowest cost of any of the other cities
Storm Water	Among the lowest in cost (Herriman doesn't have a fee and Bluffdale is \$1 / month less)
Parks	Riverton has no monthly fee. Herriman has a \$5 monthly fee.
Street Lights	Riverton has no monthly fee. Bluffdale has a \$6 monthly fee.
Culinary Water	Riverton has among the lowest in culinary water fees, with the exception of Bluffdale.
Secondary Water	Fee wasn't included in comparisons because a secondary water system makes your total cost for water less expensive for the year, as residents are not generally using the higher priced culinary water for outside watering.

The reason our total bill for the City utility is the lowest among our neighbors is because of our great City Council and staff. Our City Council and staff are very bright, attentive to keeping our service costs down, and willing to fund system improvements when they are needed.

Sincerely,

Mayor Bill

## Riverton City Winter Tips & Ordinances

Help keep Riverton City streets and sidewalks clean and safe!

### Remember...

- No parking on the roadways from midnight to 7:00 a.m. from November 1 to April 1 every year. (Riverton City Ordinance #11-3-45)
- Keep fire hydrants clear of snow. A few minutes spent looking for a buried hydrant can make the difference of saving or losing your home.
- Be sure the lid on your culinary water meter is closed down tight to prevent freezing.
- Shut off your secondary water valve. Neglecting to turn off this valve can lead to flooding or other problems when the water is turned back on in the spring.
- Sidewalks should be clear of hail, snow, or sleet. Help residents and people walking through the City stay safe and off busy roads. Businesses, homeowners, and agents of any property should clear sidewalks along their property before 9:00 a.m. (Riverton City Ordinance 12.05.060)

## Goin' Green Recycle Day

Riverton City is offering a free recycling day on Thursday, March 17 from 7:00 a.m. – 7:00 p.m. in the south parking lot at Riverton City Hall.

Recyclable items include: glass, paper, electronics, and car seats.

Paper shredding is also available from 5:00 – 7:00 p.m.

## UPD Safety Tip—Don't Leave Your Vehicle Unattended

Numerous vehicles have been stolen this winter due to leaving them running and unattended. So far Riverton City hasn't seen the high numbers of thefts that other areas have experienced, but it's not due to lack of opportunity. Remember that it is a violation of Utah State Code to leave a vehicle running and unattended with the keys in the ignition.

If the supply of unattended, running vehicles continues to be high, it will only be a matter of time before the criminals make their way to Riverton. Let's all commit to keeping the supply down and our City safe!

41-6a-1403. Motor vehicle left unattended-Requirements.

## Riverton Town Days Vendor & Parade Applications

Riverton City Parks and Recreation is now accepting food and retail vendor applications, as well as parade applications for Riverton Town Days. For more information, visit [www.rivertoncity.com](http://www.rivertoncity.com), or contact us at (801) 208-3101 or [parksandrec@rivertoncity.com](mailto:parksandrec@rivertoncity.com).

## Legislative Update from Representative Dan McCay

The Legislative session started January 25, 2016. Representative McCay is hosting a Town Hall for everyone in Riverton and Bluffdale on February 17, 2016, from 7 - 8:30 p.m. at the Riverton City offices, 12830 South Redwood, in the Council Chambers.

Please join us as we discuss upcoming issues for the 2016 session. As always, feel free to call him at (801) 810-4110 or email at [dmccay@le.utah.gov](mailto:dmccay@le.utah.gov).

## Street Sweeping

There are generally days in February where the weather is warm enough to run the street sweeper. During the winter our roads collect dirt, and sand mostly from sand in the salt spread on the roads during snowy weather. The Stormwater Division would like to ask for your patience as the sweeper can only operate on the warmer days. Also, you can help keep the street clear by parking your vehicles in your driveway. Your cooperation will help us keep the roads clean and keep dirt and sand out of our waterways, while improving the appearance of your neighborhoods.

## Calling All Potential and Seasoned Artists!

If you're an artist, Riverton City may have a chance for you to display your creations! We have two upcoming shows in which you're invited to submit your work.\*

### "Spring Into Art"
