## CITY OF ADAIRSVILLE

### FROM THE DESK OF THE CITY MANAGER PAM MADISON

This has already been a busy year for the City! Several infrastructure projects are underway and many have been completed.

The federally funded ARPA Sewer Improvement Projects are in process, with road improvements taking place once those projects are completed. The sidewalks on Hall Station Road are a great addition, providing connectivity from Hall Station to Highway 140 to Main Street to King Street and back to Hall Station. The Adairsville Elementary School is now surrounded by sidewalks with the addition of the Railroad Street section connecting King to College. This will provide an additional layer of safety for our students and their families.

Mayor Carson kicked off our first Adairsville Up Front Town Hall meeting on February 22nd and had a great turnout. Councilmember Alan Towe will host the next Town Hall Meeting on April 25th at 6:00 p.m. and we hope that you will be able to attend. These Town Hall meetings provide for a casual forum to discuss any issue relating to the City and our community.

Mayor Carson and I attended the National Day of Prayer Kick-Off Breakfast last week, and the Adairsville community was well represented. Pastors Kenny Benham, Tina Spellman, and DeeDee Harris were at our table and it was a great event. Please mark your calendars for May 2nd at 6:00 p.m. for the Adairsville National Day of Prayer at the Gazebo in the Downtown Public Square.

Everyone should have received the 2024 Events Magnets in the mail. We have a full lineup this year! Our first event of the year is our Great Locomotive Chase 5K! Make sure to join us on Saturday, April 13th at 8:00 a.m. in our Historic Downtown. Thank you to our sponsors 306 Powerhouse Gym, Advance Rehabilitation, Advent Health, Gala Chiropractic, and Peacock Junction Antique Mall.

Thank you to the Mayor and Council for their leadership in recognizing two outstanding community leaders. On Saturday, February 24th, the signs recognizing the entrance to Veterans Memorial Park as Alton "Buddy" Bagley Memorial Way were installed. Then a ceremony was held in honor of Mary Carreathers recognizing Poplar Springs Road as Mary Carreathers Memorial Road. The weather cooperated and I want to thank everyone who joined us in honoring these two selfless leaders.

We look forward to seeing you all at our 2024 events!

Pamela Madison  
City Manager

# MAYOR & CITY COUNCIL

Mayor

Kenneth Carson

Mayor Pro Tem

Lee Castro

Alan Towe

Erwin Holcomb

Brandey Jenkins

The Mission of the Adairsville City Government is to serve our citizens through ethical governance, fiscal responsibility, efficient and effective operations, community involvement, and to provide quality service for our citizens and community.

**The City of Adairsville continues to improve, grow, and give the community a safe and fun place to live, work, and play.**

The Mayor and Council honored the 170th Anniversary of the City of Adairsville with a little celebration before our February 8th Council Meeting. The City of Adairsville was incorporated on February 8, 1854, and was named for the Adairs, early Scottish settlers. As the Mayor spoke, reflecting on our great City he stated, "We honor the history but look forward to our bright future".
