## CITY OF ADAIRSVILLE

### FROM THE DESK OF THE CITY MANAGER PAM MADISON

As you have seen, Adairsville has many infrastructure projects going on throughout the City along with new ones starting this week. Communication is so important during these projects, especially when utilities are potentially impacted. Knowing that Facebook and/or Instagram are not always the best ways to get immediate information, I want to recommend that you take advantage of our text communication platform so that you can “stay connected” and receive important updates and information more timely. Text “Join and your email address” to 770-202-6280 to enroll in our Adairsville Notify Group. If you have additional questions, you can reach out to our Marketing and Events Coordinator Autumn Lester at alester@adairsvillega.net or visit our website at [www.adairsvillega.net](http://www.adairsvillega.net). There will also be an insert in a future utility bill with additional information. You can also request to

# MAYOR & CITY COUNCIL

Mayor

Alan Towe

Kenneth Carson

Lee Castro

Brandey Jenkins

**The Mission of the Adairsville City Government is to serve our citizens through ethical governance, fiscal responsibility, efficient and effective operations, community involvement, and to provide quality service for our citizens and community.**

**The City of Adairsville continues to improve, grow, and give the community a safe and fun place to live, work, and play.**

Mayor Carson and Councilmember Alan Towe had the honor of welcoming the 86th Annual Mission and Prayer Band Convention to the City of Adairsville on Saturday, April 27th at The Redeeming Overcoming Church of God. Mayor and Council recognized and declared with a proclamation, Saturday, April 27, 2024, as Mission and Prayer Band Convention Day in the City of Adairsville. The Redeeming Overcoming Church of God has been a part of the Adairsville community for 105 years. Pastor Susie Gilbert has demonstrated her devotion to the City of Adairsville by serving as an outstanding community leader and pastor for over 50 years.

There was a great turnout on Thursday, April 25th at Councilmember Alan Towe's Adairsville Up Front Town Hall meeting. It provided an opportunity for citizens to ask questions about specific projects, inquire about what is happening in the City, and make suggestions on what they would like to see for the future of our community. Everyone participated in the conversation and the feedback was very informative. Make sure to join us for Councilmember Erwin Holcomb's Adairsville Up Front Town Hall on Thursday, June 27 at 6:00 p.m.
