DATE OF ISSUANCE _____

Directions:

1. Show dimensions of all lot lines and approximate lot shape.
2. Indicate north point and the name of street/road.
3. Show locations of all existing buildings in reference to lot lines.
4. Show location of intended improvement. Label dimensions of building and distance to all lot lines
5. Locate septic tank and septic field lines.

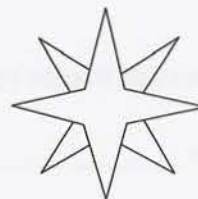

Diagram illustrating a rectangular lot with street frontage on two opposite sides. The lot is bounded by "Lot Line" labels on the top and bottom. The street frontage is defined by "Center Line of Street" (dashed), "Edge of Pavement" (solid), and "R.O.W." (Right of Way) lines. The lot is labeled "Lot Line" on the left and right sides.
