Supervisor’s News
Audrey Nevins-Weiss, Supervisor

Street Improvement Program

Once again this summer I have been working closely with the Kent County Road Commission for improvements to many streets in Byron Township. Clyde Park Avenue has been completed and work on 84th Street is currently underway. Phase II of the 100th Street Project is scheduled to be completed this year as well. Also, some of the local street improvements have already begun. Residential overlays allow us to extend the life our residential streets with significantly less cost than waiting until they require more extensive repairs. These maintenance projects can extend the life of a street for 20 years at about 20% of the cost of waiting until more dramatic reconstruction has to occur.

Center Manufacturing To Create 80 New Jobs

Center Manufacturing Company located on Piedmont Industrial Drive is going to create 80 new jobs in Byron Center. They recently were approved for two separate tax abatements for their growth. The $1,000,000 combined project will allow them to add equipment and new employees. We are proud to have outstanding companies like Center Manufacturing located in Byron Township. They are a strong company that is very involved in the Township and assists with many of our community events. I am pleased we were able to work with Center Manufacturing to insure that they remain in our community and appreciate their confidence in Byron Township and our excellent workforce.

Chalk Art Festival Another Great Success

The West Michigan Chalk Art Festival was another great success bringing artists and spectators from Byron Center as well as other areas of the state to our downtown area. This year over 40 artists participated. Thousands of spectators also attended the event to view the art and watch the creation of the chalk art. The Kids Chalking Area allowed children of all ages to participate in a fun and colorful day of activities. It was a great family event and I was pleased to see many families including grandparents, parents and children filling our downtown area enjoying their day together. Thank you to the Community Wellness Foundation for all your hard work.

Fireworks

The State of Michigan has passed a new law which allows for expanded use of fireworks in the state. I have received many complaints from our residential areas from people concerned about late night use of fireworks. In addition, with the dry weather there are concerns regarding increased fire potential. There have been several fires in west Michigan caused by the use of fireworks. This is another safety issue and we ask that you use extreme caution when using fireworks and also please show courtesy to your neighbors.

Reminders

The Byron Farmers Market is open Saturdays from 8:00 – 1:00. It is located next to the Post Office. Kids events are held once per month. Byron Festival Days will be held on July 28th. The event includes a parade, 5-K Run, Evening Fireworks and many other family centered activities. Demolition on the Concession Stand at Cutler Park will begin next week. The building is being demolished for safety reasons and to make room for the new improvements.

Byron Days July 27-29

Every July, the residents of Byron Township gather to celebrate and fellowship together. There is something for everyone.

Friday, July 27

- Plea Market Byron Community Ministries 9am-6pm

Treasurer’s Forum

Carol Houseman, Treasurer

Summer tax season is in full swing. You should have received your bill the 1st week of July. If you didn’t, call us. Your 2011 summer taxes are due by Friday, September 14, 2012 at 5:00pm. 1% interest will be added at that time and an additional 1% the 1st of each month.

We have several options for paying your bill.

- CHECK OR CASH: In person, dropped in drop box at the East entrance of the building, or by mail. Remember we don’t accept postmarks.
- ACH WITHDRAWAL: Sign up and we will withdraw your payment on September 1 directly from your bank or credit union. Forms are on line at www.byrontownship.org
- ON LINE PAY: Go to our website and go to the Treasurer’s page and scroll to “Pay Bill”. A fee of approximately 3% will be charged for debit or credit card payments and 2% for checking and savings.

If your gross income was under $40,000.00 for 2011, you are 62 years or older, you are disabled, or if your property is classified Agricultural Real Property, you can defer your Summer taxes until the Winter tax due date without interest or penalties. A copy of the form is on the website or we can send you one.

Sometimes it is difficult to pay the full amount of taxes by the due date. We do accept partial payments. When you make a partial payment, the interest or penalty is only added to the unpaid balance.

As always, if you have any questions, please give us a call or stop in. 616-878-3196 Jacki or Carol will be happy to assist you.

Have a safe and wonderful summer!!
Upcoming Elections

**August 7 — Primary Election**
The primary election is used to narrow candidates down by party. The Republican and Democrat candidates will be on the ballot, but you must limit your votes to only one party — no crossing over.

**November 6 — General Election**
You may choose any candidate of your choosing on this ballot up to the number to be elected to office.

**ABSENTEE VOTING**
Please call my office if you have the desire to vote absentee and fit the following qualifications: 60 years or older, absent from the community on Election Day, physically unable to attend the polls, prohibited from attending due to religious beliefs, in jail awaiting arraignment or trial, or working in as a precinct inspector on Election Day. You can also download a form from our website of the Secretary of State’s website.

You can check your registration status and where your vote at www.michigan.gov/vote.

**NEW PRECINCT BOUNDARIES & POLLING LOCATIONS**
Beginning on March 1, 2012, a new precinct boundary map for Byron Township will be used for all future elections. The change affects 4793 of the 15,140 voters in the township. In order to accommodate the voters in the newly created precincts, a new precinct boundary map for Byron Township has been adopted. As of this writing the township has 680 separate residential sprinkling meters. Call us for more details at 878-0660.

**NEW PRECINCT BOUNDARIES & POLLING LOCATIONS**

**FIRE HYDRANTS**
Now that the warmer weather is here, Byron-Gaines Utility Authority personnel will be testing the fire hydrants in the township. While this may appear to be wasteful, it actually serves several important purposes. This flushing provides a test for the hydrants that, thankfully, are seldom used. It provides us the opportunity to check for any damage that may have occurred and to keep the hydrant lubricated and in the best possible working condition. The flushing prevents sediment from building up in the water mains and removes any contaminants that may have entered them due to breaks or other problems.

**SPRINKLING METERS (IRRIGATION)**
If you use a large volume of water for the purpose of sprinkling your lawn and landscaping, please consider a separate meter for irrigation. With a second meter you would not be billed for any sewer usage when you irrigate your lawn. For example, if you sprinkled your lawn over a billing period of 3 months using a total of 80,000 gallons, the sewer use charge alone would be about $200.00 without a second meter. If you had a second meter there would be no sewer use charge on any irrigation water. As of this writing the township has 680 separate residential sprinkling meters. Call us for more details at 878-0660.

**BILLING OPTIONS**
Paperless billing is available for your convenience. Email Julie@byrontownship.org for more information.

Automatic funds transfer from a checking or savings account. (Form at www.byrontownship.org)

The ability to pay your bill online with a debit/credit card is available at www.byrontownship.org. Users paying with a debit/credit card will be charged a convenience fee. If you are paying with a debit/credit card and are in danger of shutting off, please allow ample time for the processing of the payment! (We now accept Mastercard/Visa credit card payments over the counter!)

Visit our website (www.byrontownship.org) to initiate the process to have a utility shut off, please allow ample time for the processing of the payment!

Visit our “new improved” website at www.byrontownship.org and click on “water and sewer” for forms and ordinances.

Have a great summer!

Julie Meza
