SNOW REMOVAL

My CR

City starts taking complaints 24 hours after the end of a winter weather event that results in the accumulation of snow or ice on public sidewalks. Inspections are set for the next business day.

City does inspection of public sidewalk.

NO VIOLATION
The inspector moves on.

VIOLATION

The owner is mailed a citation for $35 for violation of Chapter 9.

12 HOURS

A door hanger is put on the property letting them know that in as soon as 12 hours the City will abate the nuisance and bill the owner.

City staff create a work order for snow removal/ice treatment.

12 HOURS

Public Works returns to check public sidewalk.

NO VIOLATION
If public sidewalk has been cleared of snow/treated for ice, Public Works moves on.

VIOLATION
If public sidewalk has not been cleared of snow/treated for ice, Public Works completes the work.

The owner is billed for the work.
