New Voting Equipment!!

Exciting changes are coming for the voters of Clark County in 2018! The Election Day and Early Voting check-in process is changing for Clark County voters. On Election Day traditional paper rosters will be replaced with electronic poll book kiosks.

Clark County is upgrading the voting machines that voters will be using in the upcoming 2018 elections. The new machines operate similarly to the previous machines, but with some notable differences. The display screen is larger, clearer and with highly recognizable touchscreen features. The printer will display the selections in larger font and functions the same as the previous printer. Overall this system is integrated, intuitive and easy to use.
