

CONTESTS AND CANDIDATES IN THE JUNE 9, 2020 PRIMARY ELECTION

CLARK COUNTY, NEVADA

Contests are listed in order of appearance on the ballot.

A Primary Election is a preliminary (nominating) election to select, when necessary, Democratic, Republican and nonpartisan candidates who will run in the General Election contests. For nonpartisan offices only (except Supreme Court Justices, Court of Appeals Judges, and District Court Judges), if one candidate receives more than 50% of the votes, he/she will be elected and the contest will not be in the General Election.

In Nevada, Federal/State Primary Elections are "CLOSED." That means if you chose Democratic or Republican as your party for your Voter Registration, you may vote only for candidates from your own party in partisan contests and you may also vote in nonpartisan contests. If you chose a party affiliation that was anything other than Democratic or Republican, you may vote only in nonpartisan contests. Note that ballot questions will not appear in the Primary Election. **Additionally, you may only vote for contests that pertain to your precinct.**

The office of U.S. President/Vice President will not appear on Nevada's Primary Election ballot. Nevada does not conduct Primary Elections to select U.S. Presidential candidates. Instead, major political parties make the selection, generally by means of holding caucuses. (See NRS 293.137)

NOTE: Some offices and/or candidates may only appear in the General Election and not the Primary because of requirements in NRS 293.260 and 293.257 or because they are Special District Offices (Moapa Valley and Virgin Valley Water Districts), while others may not appear in any election because not enough candidates filed. Nevada law does not permit write-in candidates. For more information, see " **Ballot Organization and Rules** " at www.clarkcountynv.gov/election/Pages/Ballots.aspx.
