Dust Class Registration Form

General Information:

Subsection 94.7.6 of the Clark County Air Quality Regulations (AQRs) establishes the requirements of those individuals who must attend Dust Class when working on construction projects. The AQRs are available on the Clark County Department of Environment and Sustainability (DES), Division of Air Quality (DAQ) website, listed below.

The DES home page is located at this address: https://www.clarkcountynv.gov/government/departments/environment_and_sustainability/index.php

To enroll in a Dust Class, the registrant must provide the following information, along with required fee. The upcoming Dust Class dates are listed on the Dust Classes page found on the DES home page. The required fee of \$44.90 per attendee must be made by check or money order and mailed to the address listed above. Make checks or money orders payable to "Division of Air Quality," "Air Quality," or "DAQ".

Please select an exact date from the Dust Classes page found on the DES home page for the registration form which must be submitted no later than seven days prior to the scheduled class date. Scheduled classes will be held online by WebEx Events. The class duration is approximately 1 ½ hours during which time you will be required to participate in polling quizzes to confirm your attendance in the class. Each attendee must be logged in individually on a separate device.

To reschedule a Dust Class, complete the form and fax to DAQ at 702-383-9994 or e-mail using the link below. There is no charge to reschedule the class; however, the person must attend the class within 6 months of the fee payment date.
