Pavilion Application Worksheet

This worksheet is required to accompany the Pavilion Design Review Application.

This worksheet questionnaire form is designed to assist you in the application process to produce a complete application. When reviewing your application, the Design Review Committee (DRC) must have sufficient information to understand and contextualize the proposed modification. The DRC will rely on this worksheet when reviewing your application.

Please answer all questions. If a question does not apply, please write in N/A in the answer.

All colors and materials used must match those on the home:

_____
