Explain temporary emergency circumstances requiring payment deferral

When a utility account is paid by a tenant, the Owner or Property Management must give permission for payment to be deferred. In the absence or denial of permission, service will be disconnected when the account becomes past due, and the bill must be paid in full before the service will be restored.

DEFERRED PAYMENT AGREEMENT

- Reconnect fee
- Utility Payment

TOTAL AMOUNT DUE _____ FOR THE MONTH OF _____ 20 _____.

I agree to pay \$ _____ by 1:00 p.m. on _____. I understand that, should I default on the payment as agreed, the City of Everson will discontinue utility service immediately and service will not be restored until the balance is paid in full plus any reconnect fees. I further understand that, should I default on the agreement, the City of Everson will not allow another deferred payment agreement during the calendar year. All subsequent billings are payable when due unless a new agreement has been executed.
