On behalf the Mayor, Council and staff we would like to take this opportunity to welcome your family to the Borough of Farmingdale. We look forward to the opportunity to meet you. As a new resident, we are providing you with information we hope you will find beneficial.

Known as "Today's Town...with Yesterday's Touch. The town of Farmingdale started out with two stores, two taverns, and 10-12 dwellings. In 1903, Farmingdale was incorporated into its own independent municipality, encompassing one-half square mile, it was known primarily as a residential and light industrial community.

Now, more than a century later, the borough of Farmingdale governed by our Mayor, Jim Daly and the Borough Council, Farmingdale, at 0.5 square miles in land area, is a vibrant, small town, the commercial district meets the needs of its citizens, whose well-maintained homes on small lots evoke memories of days gone by. A look around Farmingdale today still speaks of yesterday.

We are very fortunate to have caring citizens within our community which make our town a wonderful place to live, work and do business.
