4 th Week

The recycling is currently done twice a month according to sections. In order for this to work efficiently we must request that everyone put their accumulated recycling each and every pick-up. Please put recycling materials ' in your green recycling containers and no plastic bags. Co-mingled bi-metal cans, all glass containers (all colors) and all plastic containers may be placed in the same container. Only pourable type containers will be pick -up. Please do not place more than 30 lbs. per container.

Newspapers (tied in bundles) and cardboard (flattened and tied) will continue to be picked up.
