

Monmouth County
SPCA

Board Of Health

In conjunction with the Monmouth County Board of Health, the Monmouth County SPCA will be offering free rabies vaccination clinics for its residents.

In an effort to maintain social distancing and protect our staff and clients, we will be using curbside service methods for appointments.

Call the Monmouth County SPCA's Vogel Veterinary Care Center today to make an appointment for your pets(s) at **732-542-3125**

If this is not your pet's first rabies shot, you are required to submit proof of vaccine history prior to your appointment to info@vogelvet.com. Once proof is received (if applicable) the pet will be eligible for the 3-year rabies vaccine. Contact us for details!

Please note that pets will not receive a physical exam. We recommend that all pets receive a regular exam by a veterinarian once per year.

At our veterinarian's discretion, we reserve the right not to administer a Rabies vaccine due to patient health or temperament.

FREE RABIES CLINIC

Weds 11/11 9-11am

Thurs 11/12 1-3pm
& 4-6pm
