Dear Residents,

Once again we are happy to share the annual calendar with our homeowners and family.

Please note the important dates we have highlighted in the 2026 calendar.

I hope you enjoy the beautiful photographs celebrating everything The Village of Grosse Pointe Shores has to offer. Additionally, thank you to all the residents who sponsored this calendar as well as the staff and volunteers that made it come to fruition.

Throughout the 2025 season, several maintenance and improvements were performed behind the scenes to most residents. A new roof was installed at the Police Department. All computers in our administration offices were updated. Crestwood Road was completely replaced. New pumps were installed at the North Pump station. Lakeshore seascapes were replaced as well as their corresponding sprinkler upgrades. New equipment was purchased for the DPW and a Lucas CPR device was purchased to aid the Public Safety Department.

After careful budgeting, our team was able to reduce our property tax millage rate. Additionally, water rates were reduced this calendar year. In September, we initiated a professional water and sewer rate study to create more transparency for our community.

The village has worked tirelessly to share all the city has to offer with a vibrant communication format. Our city manager keeps residents updated on happenings in his monthly newsletter. Additionally, each month, outstanding stories about residents and staff members are highlighted in the same newsletter.

Our Facebook and Instagram pages continually highlight the extraordinary events in GPS. For instance, the annual Easter egg hunt, Fourth of July celebration and Boo Fest were yet again incredible successes in 2025. Finally, this past July, the Grosse Pointe Shores Sharks - the little team that could, finally won their first city-wide swim championship!

Grosse Pointe Shores will continue to upgrade and modernize needs in the coming years. While it has served us for over 75 years, our current pool facility is in woeful need of continual repairs. The village is even more committed to build a state-of-the-art pool complex, which will compliment this great community.

On behalf of the Village of Grosse Pointe Shores, and all those who work and volunteer, we wish you a bright and Happy Holiday.

Sincerely, TJ Kedzierski
