

**The City of Grosse Pointe Farms
Sewer Separation Program Contract No. 1
Stormwater Force Main & Gravity Sewer**

**PROJECT UPDATE
FLYER
JULY 21, 2025**

Hello residents! Construction in your neighborhood is ongoing! As always, please exercise caution while construction crews are working in your area.

Current Activities (Week of July 21st):

- Construction/Excavation at the outfall structure will continue on the shore of Lake St. Clair, adjacent to the Tonnancour Place/Lake Shore Road Intersection.
- Construction/Excavation will continue at the east end of Tonnancour Place at Lake Shore Road. Tonnancour Place will be closed to thru traffic from Lake Shore Road as a result.
- Lane closures on Lake Shore Road using traffic shifts or single lane closures will occur. Drive with caution in this area as traffic patterns may change from one day to the next depending on the construction activity.
- Tonnancour Place will be milled Tuesday, July 22nd, to remove the existing asphalt road surface. The road will remain drivable and accessible to residents after the asphalt surface is removed.

Upcoming Activities (Week of July 28th):

- Excavation/Construction at the Tonnancour Pl. and Lake Shore Rd. intersection will continue.
- Sewer installation on Tonnancour Pl. will begin. Restricted access to driveways may occur as the sewer is installed. Residents will be notified prior to this occurrence.

IF YOU WISH TO STAY UP-TO-DATE ON CONSTRUCTION ACTIVITY, PLEASE EMAIL THE PROJECT ENGINEER (INFO BELOW) TO BE ADDED TO THE RECIPIENT LIST.

NOT ALL FLYERS WILL BE HAND DELIVERED.
