

### Message from the City Manager

To the Citizens of Henderson NC,

Despite our doors being closed to the public due to Executive Order #121 issued by Governor Roy Cooper, the City of Henderson is still open for business as we continue to provide the essential services that the citizens of Henderson expect from their local government. These are challenging times for all of us as we navigate through the uncharted waters of combatting the COVID-19 pandemic. However, the City of Henderson remains committed to being responsive to the needs of the community, and we are just a call away from answering your questions or concerns regarding our hours of operations and services being provided through these uncertain times. Please don't hesitate to contact us by calling our main switchboard at 252-430-5700.

Sincerely,

*E. Terrell Blackmon*
