

FIREFIGHTER

The City of Henderson, NC is seeking a full-time Firefighter that will be responsible for fire suppression, rescue and incident response activities including emergency medical response on an assigned shift in the Fire Department.

JOB REQUIREMENTS FOR FIREFIGHTERS

- High School graduate or equivalent.
- At least 18 years old.
- Hold valid driver's license with good driving record.
- Firefighter Certification NFPA 1001.
- NC Emergency Medical Technician – Basic (EMT-B). Must obtain within 1 year of hire date.
- Hazardous Materials Level I Responder NFPA 472/OSHA 29 CFR 1910.120.
- Highly motivated with interest in the Firefighting field.
- College education/firefighting experiences a plus.
- Must reside within 1 hour drive time to fire station.
- Selected applicants for firefighting positions are required to pass a detailed medical evaluation and a drug screening. A thorough background investigation prior to employment will be conducted.
- Ability to quickly learn nature of, effectively perform, or utilize suppression and EMS procedures, practices, equipment, tools and supplies.
- Ability to perform arduous tasks requiring physical endurance and agility under adverse conditions.
- Agility to wear protective clothing or use other equipment or devices necessary to avoid the potentially harmful and dangerous effects of extreme heat, lack of oxygen, chemicals, blood or bodily fluids, etc.
- Ability to climb ladders, perform suppression, and EMS tasks from heights or in confined areas under adverse conditions, and lift-carry, “dead-weight” individuals with or without assistance depending on emergency conditions.
- Ability to become proficient in a wide variety of fire suppression and EMS duties within a reasonable period of time.

Selected candidates subject to pre-employment background and drug screen. EOE. eVerify.
Job Post Date: 07/22/21
