

BOROUGH OF HOPATCONG 2026 COMMUNITY CALENDAR

WELCOME TO HOPATCONG

The Borough of Hopatcong encompasses the western shore of Lake Hopatcong and lands to the west including Bear Pond. Known for its rich history and natural beauty, the borough began as a summer getaway and has since evolved into a permanent residential community. The area has a mix of natural attractions, including lakes and parks, and hosts various events throughout the year, fostering a sense of community and cultural engagement.

MAYOR'S MESSAGE

As we turn the page into a new year, I am proud to reflect on the continued spirit that makes Hopatcong such a remarkable place to call home. Our borough is more than just a location on the map – it is a community rooted in kindness, pride, and unity. Every day, we see neighbors supporting neighbors, families giving back, and residents investing their hearts into the place they love.

Hopatcong continues to flourish because of the people who live here. From our breathtaking parks and trails to our vibrant recreation programs and sports facilities, we are blessed with opportunities to gather, enjoy the outdoors, and celebrate the best of small-town living. Whether at our lakefront amenities, playgrounds, fields, community centers, or borough-wide events, our residents help create cherished memories that bring joy to all ages.

As we welcome 2026, we also look forward with excitement and pride to a historic milestone – the 250th anniversary of the United States of America. Hopatcong will be joining communities across the nation in celebrating this monumental occasion with several special events throughout the year. It will be a year of remembrance, patriotism, and unity as we honor our history and celebrate the future of our great country.

I extend my deepest gratitude to all who serve this borough. To our borough employees who work tirelessly behind the scenes – thank you for your dedication. To our Police Department, Fire Department, and Ambulance Squad – thank you for your bravery and commitment to keeping our community safe. To our volunteers – from civic groups and athletic programs to the Women's Club, Boy Scouts, Girl Scouts, and countless nonprofit organizations – your time, passion, and leadership strengthen the very foundation of Hopatcong.

With continued teamwork, compassion, and love for our community, I believe 2026 will be a year of celebration, connection, progress, and pride for all who call Hopatcong home.

If you ever need assistance, have ideas to share, or simply want to reach out, my door is always open. Please contact me at mgalate@hopatcong.org.

Yours in Service,
Mayor Marie Galate

HOPATCONG BOROUGH RECYCLING CENTER

The Recycling Center is located on the Veterans Way portion of Flora Avenue and is open on Wednesdays from 8AM– 12PM and on Saturdays between 8AM–4PM. **Proof of residency is required to enter the Center.** Residents may drop off mixed recyclables, magazines, mixed paper, cardboard, newspapers, and metal items to the Center on days when they are not scheduled for their section pickup.

ELECTRONICS

All electronics including computers, monitors, scanners, printers, televisions, stereo equipment, microwaves, etc. can be brought to the Recycling Center **or** you can purchase an electronics sticker and place your item curbside **BEFORE** calling DPW for pickup (973-770-1200 x401).

CONSTRUCTION DEBRIS

CONTRACTORS ARE NOT PERMITTED to dispose of construction debris at the Center. All construction debris must be brought to the **Sussex County Municipal Utilities Authority** (973-579-6998) located at 34 South Route 94, Lafayette, NJ. SCMUA is open to all residents to drop off solid waste and/or bulk items Monday–Saturday 7AM-2PM for a fee. You can visit their website for more information at www.scmua.org.

TIRES ACCEPTED FOR A FEE

The Borough accepts tires at the Hopatcong Recycling Center during normal operating hours for a fee:

Automobile tire without rim: \$ 3.00	Truck tire without rim: \$15.00
Automobile tire with the rim: \$ 6.00	Truck tire with rim: \$18.00

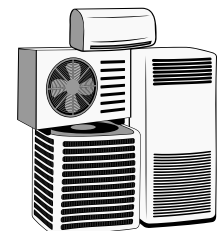

Fees **MUST** be paid in advance at the **TAX COLLECTOR'S** office at Hopatcong Borough Hall during normal business hours and the receipt must be turned in at the Recycling Center when the tire(s) are dropped off. The fee represents the cost to the Borough of Hopatcong to recycle tires. Fees **CANNOT** be accepted at the Recycling Center.

BULK WASTE/BULK METAL DISPOSAL

One (1) large item can be placed at the curb for disposal each week on your **regularly scheduled garbage pickup day**. You can purchase a sticker for **BULK METAL OR ELECTRONIC** items that are too big to bring to the Recycling Center and place your item curbside **BEFORE** calling DPW for pickup. **973-770-1200 x 401**

REFRIGERANT DISPOSAL REQUIREMENTS

Hopatcong Borough **CANNOT** pick up any item containing refrigerant without prior removal of such contaminants. Each resident is responsible to contact a private contractor and have the refrigerant removed properly. The Borough urges residents when purchasing new appliances containing refrigerants to check with the store to see if disposal arrangements can be made.

METAL AND ELECTRONIC BULK STICKERS

\$10.00 per green sticker (no refunds or exchanges)

Stickers never expire.

Bathtub
Furnace

*Lawn Mower–gas and oil MUST be removed.

*Shed–disassembled and tied in bundles of less than 4 feet.

*Swing Set–pipe must be less than 4 feet and cement must be removed.

For more information, please contact the Hopatcong DPW at 973-770-1200 x 401.

Please note: The orange bulk stickers are no longer in use as of January 2025. These stickers are no longer needed to dispose of non-metal items such as mattresses, box springs, desks, sofas, etc. These items can be put out with regular garbage, only 1 large item per pickup.

GARBAGE PICK UP

All household garbage and refuse must be kept in a proper can with a secured lid. IMPORTANT: Garbage cannot be stored outside in paper bags, cardboard containers or baskets. Cans and containers cannot exceed 40 lbs. or exceed 35 gallons. **Additional garbage (NOT BULK) collection will be permitted by the contractor the last week of December to accommodate residents with additional garbage during the holiday season. Please call Suburban Disposal at 973-227-7020 for any questions or concerns.**

****PLEASE NOTE: ALL SCHEDULES ARE SUBJECT TO CHANGE.**

SINGLE STREAM RECYCLING

Remember, ALL of the following items can now be placed for pickup in one container, NO PLASTIC BAGS.

Paper, Cardboard, Plastic, Glass, and Cans.

Please refer to the “Streets and Roads” section of the calendar for your designated pickup section which will be posted on each month of the calendar. ****PLEASE NOTE: ALL SCHEDULES ARE SUBJECT TO CHANGE.**

LEAF COLLECTION REGULATIONS

The Borough of Hopatcong shall provide curbside collection of leaves during the months of **APRIL** and **MAY** and from **OCTOBER 17th through DECEMBER 9th**. Only **LEAVES** shall be accepted. Branches, twigs, grass clippings, rocks or other vegetative matter shall not be accepted. Leaves are required to be placed in biodegradable brown paper bags only. Leaves in proper bags as detailed above may be brought directly to the Hopatcong Recycling Center. Brush no wider than 4" in diameter will be accepted at the recycling center. **Only Hopatcong Residents can utilize the recycling center. No contractors allowed. Must show proof of residency by obtaining a window decal from Borough Hall. Please Note: All schedules are subject to change.**

GRASS RECYCLING

The Borough **does not** pick up or accept grass clippings either at the curbside or recycling center. Leave your clippings on the lawn when you mow and let Mother Nature do the recycling. Grass clippings provide a natural fertilizer for growing a lawn. **UNDER NEW JERSEY STATE LAW, GRASS CLIPPINGS CANNOT BE COLLECTED FOR DISPOSAL AT THE LANDFILL!**

Here are some alternatives:

1. GRASS – CUT IT AND LEAVE IT!

Leaving grass clippings on the lawn reduces mowing time by 20% - 25%, saves the expense of buying lawn bags, and cuts the amount of fertilizer required. What could be easier than cutting your lawn and not bagging clippings anymore? You will save time by not having to stop to empty your lawnmower bag. Homeowners that leave clippings on the lawn can actually reduce their total annual mowing time by 20% - 25%. You will also spend less on fertilizer; the clippings left on the lawn recycle nutrients, such as nitrogen, back to the soil. You might consider purchasing a mulching/recycling mower or adding a mulching attachment to your present mower. These attachments chop clippings into fine pieces which slip easily down into the soil.

2. MULCH CLIPPINGS INTO YOUR GARDEN

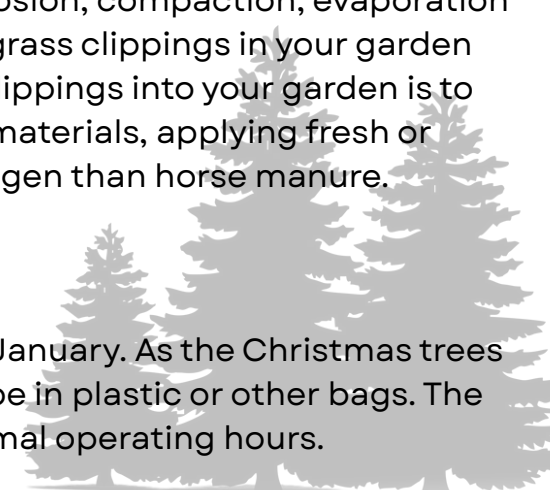

To mulch your grass clippings into your garden, place about an inch of grass clippings directly on the soil around plantings to moderate soil temperature and to reduce weed growth, soil spattering, erosion, compaction, evaporation and runoff. As a precaution, please wait at least 3 weeks and 2 lawn cuttings to utilize grass clippings in your garden after your lawn has been treated with herbicides. Another method of recycling grass clippings into your garden is to mix them directly into the garden soil. Since most NEW JERSEY soils are low in organic materials, applying fresh or composted clippings adds valuable organic matter. Grass clippings contain more nitrogen than horse manure.

3. CONSIDER BACKYARD COMPOSTING

Grass clippings are an excellent addition to the backyard compost pile.

CHRISTMAS TREE RECYCLING

The Borough of Hopatcong shall commence curbside collection of Christmas trees in January. As the Christmas trees are composted, the trees must have the stand and ornaments removed and cannot be in plastic or other bags. The trees can also be brought, at no charge, to the Recycling Center during normal operating hours.

PLEASE HELP PROTECT LAKE HOPATCONG. ONLY USE PHOSPHOROUS FREE FERTILIZERS ON YOUR LAWN
SOLUTIONS TO STORMWATER POLLUTION

LIMIT THE USE OF FERTILIZERS AND PESTICIDES

Do a soil test to see if you need fertilizer. Testing kits are available at nurseries.

Do not apply fertilizers if heavy rain is predicted.

Look into alternatives for pesticides.

Maintain a small lawn and keep the rest of your property in a natural state with trees and native vegetation.

DISPOSE OF YARD WASTE PROPERLY

Keep leaves and grass out of storm drains.

Follow Hopatcong's yard waste collection rules.

Cut It and Leave It. Use a mulching lawn mower that recycles grass clippings into the lawn.

PROPERLY USE AND DISPOSE OF HAZARDOUS PRODUCTS

Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze and paints.

Recycle used motor oils.

Contact the DPW office for locations of hazardous waste disposal facilities.

KEEP POLLUTION OUT OF STORM DRAINS

Do not pour hazardous products down a storm drain. Storm drains are usually connected to local water bodies, and the water is not treated.

Do not let sewage, gray water, or other wastes flow into a stormwater system.

CLEAN UP AFTER YOUR PET

The Borough has adopted and enforces local pet waste rules.

Pet owners and keepers must pick up and properly dispose of pet waste dropped on public or other people's property. Never discard pet waste in a storm drain.

Use newspapers, bags and pooper scoopers to pick up wastes.

Dispose of the wrapped pet waste in the trash or unwrapped in a toilet.

DON'T FEED WILDLIFE

Do not feed the wildlife such as DEER, DUCKS, and GEESE.

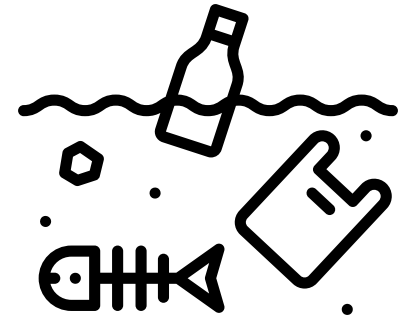

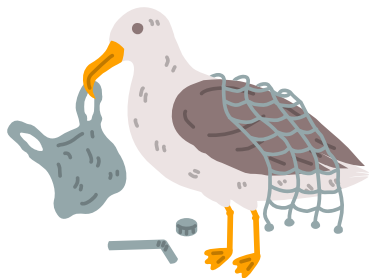

The Borough has adopted an ordinance prohibiting wildlife feeding.

DON'T LITTER

Place litter in trash receptacles.

Recycle. Recycle. Recycle.

Participate in community cleanups.

OFFICE OF EMERGENCY MANAGEMENT

Disaster can strike quickly and without warning. It can force you to evacuate your neighborhood or confine you to your home. This could affect your local basic services such as water, gas, electricity, phones, and even your television service.

Knowing what to do is your best protection and your responsibility until help arrives or you can evacuate the area. Hopatcong is susceptible to: Hurricanes, high winds, flooding, ice storms, blizzards, hazardous material incidents, power outages, etc. For more information or questions, contact Hopatcong Borough Office of Emergency Management, at OEM@Hopatcong.org.

MAKE A DISASTER PLAN

Meet with your family and discuss why you need to prepare for a disaster.

Explain to your children and other family members the dangers of fire, severe weather, and other natural disasters. Plan to share responsibilities and work together as a team.

MAKE A DISASTER SUPPLY KIT

Keep enough supplies at home to last at least 3-5 days. Assemble a kit with items you may need in an evacuation, including medicine for you or your pets. Store these supplies in sturdy, easy-to-carry containers such as backpacks, in case you need to evacuate.

For a list of supplies or ideas to have on hand in case of an emergency please visit www.ready.gov

TAKE ACTION

Free emergency preparedness training classes are provided by the Hopatcong Office of Emergency Management.
Join your local Community Emergency Response Team. (CERT)

POWER OUTAGES

If an outage occurs, customers should call 1-888-LIGHTSS (1-888-544-4877) to report the outage or click the "Report Outage" link on the www.firstenergycorp.com website via smartphone. Customers should immediately report downed wires to their utility, local police, or fire department. Never go near a downed power line, even if you think it is no longer carrying electricity.

For updated information on the company's current outages, First Energy's storm restoration process, and tips for staying safe, visit the 24/7 Power Center at www.firstenergycorp.com/outages

Customers can subscribe to receive text message alert notifications that contain information about weather conditions that may impact electrical service or updates on reported outages by texting REG to 544487(LIGHTS).
