

U.S. Department of Transportation
Federal Highway Administration

NM 31-128 Study | CN 2104330

VIRTUAL PUBLIC MEETING

May 24, 2022 | 6:00-7:30pm (MT)

New Mexico DEPARTMENT OF
TRANSPORTATION
MOBILITY FOR EVERYONE

The New Mexico Department of Transportation (NMDOT), in cooperation with the Federal Highway Administration, continues to advance an Alignment Study for New Mexico Highway 31-128 roadway improvement project in Eddy and Lea counties.

Public feedback from the community of Jal is needed once again to further incorporate refinements of the recommended alternatives to continue to advance the study.

REGISTER NOW!

NMDOT will use Zoom, a web-based service with call-in capabilities to host the virtual public meeting. Members of the Jal community are encouraged to register for the event and join the discussion, provide comments and ask questions of the project team.

Register at: <https://nm31-128project.nmdotprojects.org/>

OR Call-in at the scheduled meeting time: 346-248-7799; ID: 821 5931 6963

Comments can be provided at the meeting or sent by June 3, 2022 to:

WSP USA c/o Jennifer Hyre Attn: NM 31-128

NM 31-128 Study

The NM 31 portion of the study extends 22 miles from its junction with US 285 to US 62. The NM 128 extends 60 miles from NM 31 through the City of Jal to the Texas state line.

Both roadways are part of a major supply route network for local oil and gas production/ exploration operations within southeastern New Mexico.
