About Lebanon

Lebanon is located in the heart of one of the fastest growing counties in the state, and is supported by an excellent school system, reasonable tax and utility rates, and an outstanding quality of life. This makes Lebanon an ideal place to live and raise a family.

History

When Lebanon was laid out in 1802, only two houses stood and two streets ran through town. Early settlers to the area thought the trees covering the hillside were like those in the Middle Eastern country of Lebanon; thus, came about Lebanon's name and nickname "Cedar City."

Lebanon and its citizens have played an active role in guiding the history of the country. Native son Tom Corwin was the 12th governor of Ohio, U.S. Senator, U.S. Secretary of Treasury and U.S. Minister to Mexico. John McLean was a member of the cabinets of both President Adams and Jackson, and an Associate Justice of the U.S. Supreme Court. Additionally, the City's landmark, the Golden Lamb Inn, opened in 1803, and is still operating in its original location today.

Today, Lebanon sets the benchmark for innovation. As the City looks ahead, quality economic development, sound infrastructure, outstanding recreational opportunities, a vibrant downtown, and strong financial management are key priorities.

Location & Accessibility

Lebanon is located midway between the Cincinnati and Dayton metropolitan areas. Two major interstate highways are readily accessible including I-75, located seven miles west of the City, and I-71, which borders the City to the south. The community is also served by county and state highways, including Routes 48 and 42, which run north and south, and Routes 63 and 123, which run east and west. This central location offers an unhurried lifestyle in a quiet country setting, while providing convenient access to a wide range of regional amenities, attractions and services in nearby metropolitan areas.

Statistics

Population: 20,659
Area: 12.9 square miles

Business

Lebanon is home to over 800 businesses ranging from boutique shops to corporate headquarters. With over 200 local retailers and a successful manufacturing sector, Lebanon’s diverse business community is a vital contributor to our quality of life. The Lebanon community supports new business growth through local services and amenities:

- Seat of the 3rd fastest growing county in Ohio.
- Conveniently located between the Cincinnati/Dayton metro markets.
- Within 600 miles of 65% of the nation’s population.
- Pro-business environment.
- Selected as an “Ohio Best Hometown” in 2012, Ohio Magazine.
- Ohio is ranked 4th “Best Business Climate,” Site Selection Magazine 2017.
- Ohio is home to 47 of the 1,000 largest companies in the U.S.

Housing

Quality new and existing housing is available to meet every price range, and first-time home buyers can find both new and existing homes at affordable prices.

The community also offers upscale homes in price ranges beginning at \$400,000. The median home price in Lebanon is \$284,000.

Explore Lebanon

Lebanon's location offers its residents access to a wide variety of area attractions. Whether you are looking to shop and eat in the many offerings in historic Downtown, take in a cultural arts performance, get active outdoors in one of our many parks, trails and recreational opportunities - there is something for you!

Your City Government

The City of Lebanon Charter, adopted by the voters on October 4, 1960, mandates the Council-Manager form of government. The Council-Manager form is used by over 3,700 cities because it combines the political leadership of elected officials with the managerial experience of an appointed manager.

The Councilmembers are the leaders and policy makers elected to represent the needs of the community. As a legislative body, the City Council determines policies, which direct the actions of government. Councilmembers are elected, at-large, for four-year staggered terms. The Mayor is selected by a vote of Council.

The City Manager is appointed by the Council to serve as the chief executive officer of the City and to manage the daily operations of the City. The City Manager is responsible for the development and execution of policies, administration of personnel, allocation of resources, and enforcement of the City's laws.

Voice Your Views

- Add your address to receive geo-targeted alerts
- Indicate what types of alerts you want to receive including weather, traffic, emergency and more.
- Indicate how you want to be notified: by text, email, and/or voice message.

Visit our website at lebanonohio.gov to register.

Municipal Court & Probation

The Lebanon Municipal Court is located on the second floor of the Lebanon City Building at 50 South Broadway.

The Clerk's office is open from 8:00 am to 4:00 pm, Monday through Friday, and when court is in session.

Traffic court and other arraignments are held on Mondays at 2:00 pm and Thursdays at 2:00 pm.

Please note that the staff of the Clerk's office does not give legal advice. They can only advise you on court procedures. If you have a question regarding how to proceed with any legal matter, please consult an attorney.

Income Tax

Tax Rate

The City of Lebanon tax rate is 1.00 percent.

Taxable Income

- Qualifying wages, including vacation pay, bonuses, commissions, incentive payments, settlements, stock options, grievance pay, severance pay, any pay as part of an employee buyout or wage continuation plan and other compensation paid by an employer(s), compensation for personal services, gambling winnings, other income defined by statute as taxable, and/or adjusted federal taxable income from the operation of a business, profession or other enterprise or activity adjusted in accordance with the provisions of the tax ordinance.
- Net profits from the operation of a business, profession, enterprise or other activity such as rental property, sole proprietorships or partnerships.

Who Must File

1. Residents
 - All Lebanon residents are subject to Lebanon income tax regardless of where their income is earned. Credit is given for income tax paid to another municipality, not to exceed .50 percent of income taxed by the other municipality.
2. Non-Residents
 - All non-residents of Lebanon who are earning income within the City of Lebanon must file a tax return unless Lebanon's 1.00 percent tax has been withheld.

Declaration of Estimated Tax

- Residents and non-residents who anticipate earning taxable income on which city income tax will not be withheld at a rate equal to or greater than 1.00 percent, which will result in a tax liability equal to or greater than \$200, are required to file a Declaration of Estimated Tax.
- Estimated tax payments are due April 15, June 15, September 15 and January 15.

This information is intended to provide a brief summary of filing requirements and does not cover all possible circumstances. Tax forms are available online at lebanonohio.gov. Contact the Tax Department at 513-933-7205 for additional information.

Property Maintenance Standards

You can help the City maintain its high quality of life by ensuring your property complies with these regulations and by reporting suspected violations.

Debris

All premises shall be maintained in a clean, safe and sanitary condition, free from any accumulation of rubbish or garbage.

Grass Height

All premises shall be maintained free from grasses and weeds in excess of 10". If the owner fails to comply with these requirements, a notice of violation will be sent to the property owner. In the event that the property does not come into compliance, the City shall have the property mowed at the property owner's expense.

Junk Vehicles

No inoperable or unlicensed vehicle shall be parked or stored on any premises, and no vehicle shall be in a state of major disassembly, disrepair, or in the process of being dismantled.

Peeling Paint

The exterior, siding, trim or moldings of a building or structure shall be protected from the elements by paint or other protective coating. Such surfaces shall be kept clean and free of flaking, loose or peeling paint.

Maintenance of Structures

The exterior of a structure shall be maintained in good repair, structurally sound and sanitary so as not to pose a threat to the public health, safety or welfare.

Please contact the Code Enforcement Inspector at 513-228-3157 if you have any questions about the regulations or to report a violation.

Permits

Enforcement of the City's building, zoning, housing and land use codes is important in order to protect the health, safety and welfare of all Lebanon residents.

The City issues permits and performs inspections to ensure the safety of people who will use or occupy new or remodeled buildings. Permits also ensure a uniform minimum standard for all construction, repair, alteration and maintenance of buildings and structures.

Permit fees are based on the type and extent of the work. The fees help defray the cost of providing inspection services. Permits are required before the work begins. Applications are required for both Residential and Commercial projects and work. Contact 513-228-3171 or visit lebanonohio.gov for more information.

Public Safety

Emergencies

Call **9-1-1** for any emergency requiring police, medical or fire response. Be prepared to provide the following information to the dispatcher:

1. A description of the emergency
2. The address or location of the emergency
3. Your name and phone number

The dispatcher will then notify the Police or Fire Department, and continue to ask you for additional information. **DO NOT HANG UP UNTIL THE DISPATCHER TELLS YOU TO DO SO.**

Fire Department

The Lebanon Fire Department operates two fire stations throughout the city.

Fire Prevention

Smoke Detectors

- Install smoke detectors on every level of your home, near bedrooms, in the garage and away from air vents.
- Test the batteries monthly and replace them at least once each year.

Portable Heaters

- Keep blankets, clothing, curtains, furniture and anything else that could get hot and catch fire away from portable heaters.
- Plug heaters directly into the wall socket and unplug them when they are not in use.

Safe Cooking Practices

- Keep any items away from the stove that could catch fire, such as towels, clothing and curtains.
- Keep a fire extinguisher in the kitchen and know how and when to use it.

Electricity

- Use safety plugs in electrical outlets, especially if you have small children.
- Avoid overloading electrical outlets and running cords under carpets and furniture.

Safe Smoking Habits

- Never smoke in bed.
- Keep matches and lighters away from children.

Fire Escape Drills

- Plan and practice a fire escape route from every room.
- Use a chain ladder to escape from upper levels and practice using it.
- Teach children not to hide from firefighters.
- Identify a place outside to meet in case of fire.
- Call **9-11** for emergency assistance.

Using Your Escape Plan

- Crawl low, under the smoke and keep your mouth covered.
- Feel closed doors with the back of your hand. If hot, use another exit. If not hot, open the door slowly and check for smoke and fire.
- Meet at the designated meeting place outside, then call for help.
- NEVER RETURN TO A BURNING BUILDING!

Fire Programs & Services

The Lebanon Fire Department offers a variety of programs and services to the community. Please call 513-228-3852 to check availability.

First Aid / C.P.R. Training

Training classes are open to the public and are held every second Saturday of the month. A \$10 fee is charged for the training book.

Home / Business Fire Inspections

Certified Fire Inspectors conduct free, annual inspections for businesses and homeowners. Fire inspectors will not issue citations, but will only make recommendations to improve fire safety.

Fire Extinguisher Training

This training offers a brief lecture, followed by the opportunity to practice extinguishing pan fires with fire extinguishers.

Fire Station Tours

The station tours are an excellent way to see the department's apparatus and fire fighting operations.

Fire Education Classes for Grades K-12

Classes are scheduled through the schools to teach children of every age about the importance of fire safety, including how to escape a home fire, fire extinguisher use, smoke detectors, match safety, stop-drop-and-roll and more.

Free Smoke Detectors and Installation

Donated smoke detectors are available for home installation upon availability, free of charge.

Construction Plan Review

New business construction and renovation plans must be reviewed by a Certified Fire Inspector prior to approval by the building department.

Specialty Rescue

Specialized rescue training that includes rescue from confined spaces, trench collapse rescue and emergency building shoring.

Police Department

The Lebanon Police Department is accredited by the Commission on Accreditation for Law Enforcement Agencies. Lebanon was first accredited in 1986, and was the 11th police agency accredited in the United States.

Police Programs & Services

The Lebanon Police Department offers a variety of programs and services to the community. Please call 513-932-2010 to check availability.

Child Car Seat Inspections

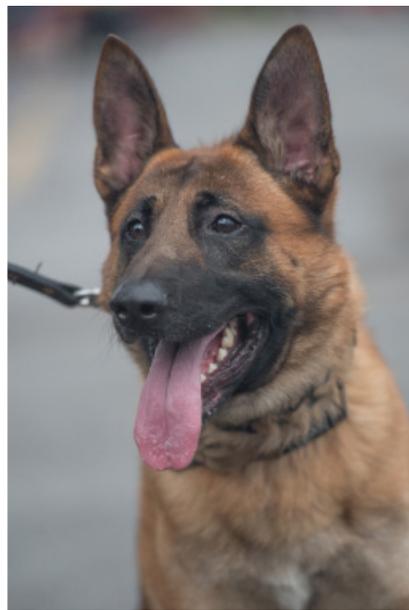

Proper installation and inspection of child car seats is taught. Both forward and rear facing seats are checked and installed, and a product recall check is performed. Information is given to participants, and child ID stickers are placed on the side of inspected car seats in case drivers are involved in a crash. This service is available at the police station and special events.

Internet Safety

This web-safety program shows how to avoid online scams, provides online child-safety tips, and provides participants with tools to protect a computer from viruses and hackers.

ALICE Training

This program can prepare any organization to respond to violence. ALICE stands for: Alert, Lockdown, Inform, Counter, Evacuate.

City Services

Utility Service

The City of Lebanon offers the following utility services:

- Water, wastewater & storm-water service
- Electric service
- Refuse collection service

Operation of these services allow the City to control the response time and service levels that are provided to our customers. We take great pride in providing excellent local service and understand the importance that this has within our community.

How to Sign Up for Utility Service

All utility customers are required to complete an application for service. Owner's may do so in person at the City Building, with their driver's license, or on the City of Lebanon website under "Sign Up for Utility Service" on the Service Department webpage. Customers who are renting are required to complete an application at the City building. They will need to bring their rental agreement, ID and utility deposit. Please call the Service Department at 513-933-7200 for more information.

Gas Service is provided by Duke Energy. Their contact number is 800-544-6900.

Utility Payment Options

Lebanon utility customers have several options to pay their utility bills.

Automatic Account Deduction (ACH): Customers can sign up to have the amount of their monthly utility bill automatically deducted from a checking account.

Online Bill Payment: Customers can pay their bill online for free at lebanonohio.gov using a credit or debit card.

Mail: Customers can mail their utility payment to: Customer Service, Lebanon City Building, 50 South Broadway, Lebanon, OH 45036, or by using our convenient payment drop-off box located behind the Lebanon City Building.

In-Person: Customers may pay their bill in-person at the Lebanon City Building, Monday through Friday from 9:00 am - 4:30 pm. Cash, check, and debit & credit cards are accepted for in-person payments.

Any questions regarding utility service can be directed to the Service Department at 513-933-7200.

Customer Service

Maintenance, repair or customer billing inquiries. Customer Service is available Monday through Friday from 8:00 am - 4:30 pm.

- For water, wastewater, storm-water, electric and refuse, contact the Service Department at 513-933-7200.
- After hours emergencies call 513-932-2010.

Recycling

As part of the City's refuse collection service, Rumpke provides recycling service for Lebanon residents.

What goes in the recycling bin?

- Newspapers, magazines, catalogs, telephone books
- Plastics labeled 1 & 2 (Milk containers, soft drink, shampoo, laundry detergent bottles).
- Glass (Clear, brown, green and blue glass food and beverage containers and jars).
- Beverage & steel food cans (Aluminum beverage cans, soup and food cans, steel lids and empty aerosol cans are accepted).

Be sure to rinse your plastics, glass and aluminum containers, and remove lids and labels.

Large Recycling Carts are available

Customers have the option of using a 65-gallon recycling “cart” container to replace the regular 18-gallon recycling bins at no additional charge. The large-cart program is optional, and customers can continue to recycle using the 18-gallon bin.

For more information contact the Service Department at 513-933-7200.

Large Item Pick Up

Rumpke offers large item pick up services for Lebanon customers. Large items can include: furniture, large amounts of debris, certain appliances, and other non-typical items. Collection of these items must be coordinated in advance with Rumpke and certain fees apply.

To schedule a pick up, call Rumpke at 1-800-582-3107. Specific guidelines apply for refrigerant-containing appliances. These guidelines are available on the City’s website at lebanonohio.gov on the Service page.

Leaf Pick Up

Leaf pick up begins in mid-October and ends in mid-December. To collect leaves more effectively, we request that you rake leaves into the street approximately 12 inches away from the curb to allow rainfall to flow down the curb and into the storm inlets. If your street does not have curbs, line up your row of leaves on the pavement as close to the shoulder of the road as possible to leave the maximum amount of street surface open for vehicles.

Please ensure that there are not any foreign objects hidden in the leaf piles. This causes significant damage to our equipment, causing a delay in the program for costly repairs.

Have your leaves ready on the first day of the pick up schedule. Have leaves raked into the street and ready for pick up by 7:00 am the first day of your scheduled pick up. Please remember to remove any parked cars from the street until the leaves have been removed.

There may be times when the quantity of leaves in one area is so heavy that the leaf collection crews will begin earlier than scheduled. In these cases, crews will return to your area on the days scheduled as well.

In case of an early snow prior to a leaf collection, leaves raked to the curb for collection will likely be plowed onto the road-way along with the snow. Weather permitting, any remaining leaves will be collected. An early snowfall seriously hampers our leaf collection efforts because some of the same trucks that are used to pick up leaves will be needed to plow the streets.

Should you miss the opportunity to participate in the program on the scheduled dates, please bag your leaves and place them at the curb, along with your trash, to be picked up by Rumpke on your scheduled trash pick up day.

Leaf pick up schedules are published annually in the October edition of the LebanonLife newsletter, or it can be found online at lebanonohio.gov.

Snow Removal

Plowing begins when snow is more than one-inch deep and forecasts indicate no melting will occur. The Public Works Division, which is responsible for plowing over 218 lane miles of roadway in the City, has some guidelines for the snow and ice removal season:

Snow removal priority list

Emphasis is given to primary streets during plowing, which are major thoroughfares or streets with dangerous hills or curves. These streets are given top priority to ensure services such as police, ambulances, fire trucks and emergency equipment can respond. Secondary streets, which intersect major thoroughfares, will be plowed and salted once primary streets have received treatment. Dead-end streets and cul-de-sacs will be plowed and salted last.

Road salt has its limits

Road salt loses its melting ability below 20 degrees Fahrenheit. When the temperature plunges into the teens or below, the roads in the City are treated with a salt-brine solution. The solution, a mixture of 23 percent salt and 67 percent water, places a salt layer on the roadways, preventing snow and ice from easily bonding to the pavement. However, when the temperatures drop for extended periods, neither salt nor salt-brine solution have much effect.

Residents can help

Here are some tips you can do to help the City with quick and efficient snow removal:

- Remove parked cars from the street - especially in cul-de-sacs.
- Do not push snow into the street.
- Clear snow from the sidewalks in front of your home or business.
- Be patient.

Memorial Programs Offered

If you are looking for a way to honor a loved one or an organization that has made a difference in the community, the City offers several options.

Memorial Bench Program: A park bench can be purchased that includes an engraved plaque to be placed in the downtown area, or a City park depending on need.

Dedication Tree-Walk Program: A tree and engraved plaque can be purchased to be planted in designated tree-walk areas.

If you are interested in either of these programs, visit the City's website at lebanonohio.gov to download an application, or contact the Recreation & Natural Resource Coordinator at 513-228-3104.

Adopt-A-Park Program

The City's Adopt-A-Park program seeks community involvement in keeping the City's park system clean and visually appealing. Groups or organizations wishing to participate will have a Park Board liaison assigned to help them put together a work plan for scheduled clean-up days, landscaping projects or other improvement projects in our parks.

The plan will be tailored to the organization's resources and could range from projects lasting 1-2 days per year, or projects that will run on a continual basis. For all approved projects, the City will place a sign in the project area recognizing the volunteer efforts of the organization.

We take great pride in offering this amenity, and value the opportunities that this park space offers to the community.

Contact the Recreation & Natural Resource Coordinator at 513-228-3104 for information about this program.

Lebanon Beautification Program

The Lebanon Beautification Program recognizes residential, business and rental property owners who have enhanced the beauty of Lebanon by either planting flowers, shrubs, trees and other landscape improvements. Properties will be evaluated during May - October by members of the City's Shade Tree Commission, the Garden Clubs of Lebanon and a Master Gardener. Judges will use the following criteria:

- 1. General Appearance and Compatibility:** Overall curb appearance of the property and compatibility with the appearance of the surrounding areas (front yard only).
- 2. Design:** Selection, grouping, placement and variety of plant material; originality of design.
- 3. Maintenance:** Proper on-going maintenance of plantings and upkeep, including weeding, mulching, watering, pruning, and health & vigor of plantings.

Nomination forms can be picked up at the City Building at 50 South Broadway, or you can download an application at lebanonohio.gov on the Parks & Recreation page.

Parks & Amenities Listing

The City of Lebanon has over 20 separate parks totaling over 600 acres. These parks offer a wide variety of amenities to enjoy. Several City parks have shelters that are available for reservation.

A park shelter can be reserved by calling Customer Service at 513-933-7200.

Recreation

Lebanon is home to the largest YMCA in the country. The Countryside YMCA's 220,000 square foot facility offers its members fitness, sports, community and nature programs, in addition to, a state-of-the-art aquatic center, soccer complex, gymnasium, cardio-fitness center and indoor running track.

Additionally, the City maintains an excellent network of athletic fields that are used by various recreational sports organizations. These programs include an adult softball league sponsored by the YMCA, youth baseball and softball that is organized through the Lebanon Youth Baseball and Softball Associations, and several youth recreation and select soccer organizations (LYSA, select programs). Combined, these programs offer recreation opportunities for thousands of kids and adults in the community.

The **Lebanon-Countryside YMCA Trail** is an 8.2 mile recreation trail that travels south from the train station in Downtown Lebanon to the Countryside YMCA, and continuing southeast toward the Little Miami Scenic River where it connects with the Little Miami Scenic Trail. The trail connects to a trail network that connects its users with access to over 200 miles of regional trails and eventually 1,500 miles of trails throughout the state.

Staying Informed

The City of Lebanon has many sources of information to help you stay informed about City projects, services and programs.
