## GENERAL GUIDELINES

All solid waste materials must be placed at the curb for collection by 7:00 a.m. the day of your scheduled collection, but not before 6:00 p.m. the day before your pick-up. We cannot guarantee a specific time the driver will be at your home. There will be no change to the current collection days, but the collection time may change from the current provider with Flood Brothers. Please note prices in this brochure are effective August 1, 2022 to July 31, 2023.

## TRASH/REFUSE SUBSCRIPTION

As of August 1, 2022, current subscribers will retain the existing two-wheeled trash cart. A resident that wishes to change cart sizes or a resident on the sticker program who would like to set up two-wheeled cart service, must contact Flood Brothers prior to August 1, 2022.

Flood Brothers offers 95, 65 and 35-gallon two-wheeled trash carts. Additional trash is accepted in resident owned containers, not weighing more than 50 pounds per can or exceeding 33-gallons. Residents using the 65- and 35-gallon two-wheeled carts will be required to affix a pre-paid sticker to the additional trash can. The 95-gallon trash subscribers will receive unlimited trash collection that fits in the containers.

Additional refuse carts are available for those residents that would be interested; a rental price of \$2.25 per unit per month will be applied.

## TRASH/REFUSE STICKER PROGRAM

The Trash/Refuse Sticker program will include a two-wheeled recycling cart. Trash/Refuse Stickers are sold at: Ace Hardware-McHenry, Angelo's, Meijer, Jewel and City Hall. Stickers are \$3.10 per sticker, sold in sheets of five (5). LRS/Prairieland stickers will not be accepted.

Personal cans will be accepted. Please apply stickers to each bag. Cans shall be 33 gallon maximum, not weighing more than 50lbs.

## RECYCLING

As of August 1, 2022, residents will retain the existing two-wheeled recycling carts. Flood Brothers will allow recycling materials to be comingled (i.e. plastic, glass, metal and paper products mixed together).

Recycling collection is unlimited. Residents must set out recycling bins which are clearly marked for recycling collection and do not exceed 35-gallons or 50lbs.

Additional carts are available for those residents that are interested; a rental price of \$2.25 per unit per month will be applied.

## YARD WASTE

Flood Brothers will provide weekly collection of yard waste starting the first full week of April through the first full week of December on the same day as refuse and recycling collection each week.

**Yard waste is now unlimited. No stickers required.**

Two-wheeled carts are available for those residents that are interested for an additional monthly fee. We are now offering food scrap collection with yard waste. Residents can rent a cart from Flood Brothers and mix yard waste with food scraps on collection days during yard waste season.

All yard waste shall be placed in a plastic or metal container with a tight cover, or a biodegradable Kraft bag, of a size no larger than 35 gallons and not exceeding 50lbs or a Flood Brothers issued yard waste cart.

We will accept and collect all bundles of brush or limbs, providing the bundles do not exceed a weight of fifty (50) pounds per bundle, are no more than five (5) feet long, are no more than two (2) feet in diameter, do not contain limbs greater than three (3) inches in diameter, and are tied.

Curbside loose-leaf collection will be provided to all residential properties included in the Contract. Leaves will be picked up at least once per week on the same day as the resident's normal garbage collection beginning the first full week of October through the first full week of December.

There will be a pumpkin drop off at the City of McHenry Public Works Department during the month of November.
