LAKE TOWNSHIP PROPOSAL

LAKE TOWNSHIP
ROAD MILLAGE BALLOT PROPOSAL

Shall the Township of Lake levy a millage on all taxable property of up to 1 additional mill (\$1.00 per \$1,000 of taxable value) for up to 6 years, 2024 through 2029 inclusive, for the purpose of providing funding for the maintenance, repair and repaving of roads within the Township, thereby raising an estimated amount of \$209,269.00 per levied mill in the first year?

LAKE CITY AREA SCHOOLS PROPOSAL

Lake City Area Schools
Operating Millage Proposal

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its full revenue per pupil foundation allowance and restores millage lost as a result of the reduction required by the Michigan Constitution of 1963.

Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Lake City Area Schools, Missaukee County, Michigan, be renewed by 17.7462 mills (\$17.7462 on each \$1,000 of taxable valuation) for a period of 2 years, 2025 and 2026, and also be increased by .2538 mill (\$0.2538 on each \$1,000 of taxablue valuation) for a period of 2 years, 2025 and 2026, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2025 is approximately \$3,482,267 (this is a renewal of millage that will expire with the 2024 levy and a restoration of millage lost as a result of the reduction required by the "Headlee" amendment to the Michigan Constitution of 1963)?

MANTON CONSOLIDATED SCHOOLS PROPOSAL

Manton Consolidated Schools Operating Millage Proposal

This proposal will allow the school district to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance.

Shall the limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Manton Consolidated Schools, Wexford, Missaukee and Grand Traverse Counties, Michigan, be increased by 3 mills \$3.00 on each \$1,000 of taxable valuation) for a period of 2 years, 2025 and 2026, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and levied in 2025 is approximately \$500 (this millage is to restore millage lost as a result of the reduction required by the Michigan Constitution of 1963 and will be levied only to the extent necessary to restore that reduction)?

MISSAUKEE COUNTY / MCBAIN AREA FIRE AUTHORITY PROPOSAL

MCBAIN AREA FIRE AUTHORITY
Proposal for Fire Millage

This proposal will permit the Authority to levy up to 1 mill for the purpose of providing funds for equipping, operating, and maintaining fire services within the territorial limits of the Authority.

Shall the limitation on the amount of taxes which may be imposed on taxable property within the territorial limits of the McBain Area Fire Authority, which is composed of Richland Township, Riverside Township, and the City of McBain, all located in Missaukee County, Michigan be increased by up to 1 mill (\$1.00 per \$1,000 of taxable value) for a period of four (4) years, 2024 through 2027, inclusive, for the purpose of providing funds for equipping, operating, and maintaining fire services within the territorial limits of the Authority, and shall the McBain Area Fire Authority Board be authorized to levy such millage for these purposes? If approved and levied in its entirety, this millage would raise an estimated \$191,856 for the Authority when first levied in 2024.
