City of Mount Holly FIRE MARSHAL'S OFFICE

CONDITION OF FIREWORKS OUTDOOR DISPLAY EVENT PERMIT

1. A Fireworks Display Event Permit shall be made at least 15 days in advance of the pyrotechnic display.
2. A \$75.00 (per site/event) permit fee is required at the time of submittal of the application to the Mount Holly Fire Marshal's Office. **Make Checks payable to "The City of Mount Holly"**.
3. Proper identification and licenses shall be provided to the City of Mount Holly Fire Marshal's Office prior to the issuance of a permit. The Lead Pyrotechnic Operator shall have an "Outdoor/Indoor Pyrotechnic Display Operators license from the North Carolina Department of Insurance – Office of the State Fire Marshal. The approved Licensed Operator shall be designated as the responsible party and shall be required to be on site at all times.
4. A bond or certificate of insurance shall be furnished for the amount of \$1,000,000.00 (one million). An original certificate of insurance with the **original penned signature** of the agent writing the certificate is required (stamped signatures are not accepted).
5. A site map of the fireworks display is to be submitted with permit application including details of the firing site and device layout, the locations of spectators, the fallout perimeter, and fireworks storage area.
6. Provide a complete list of all pyrotechnic devices to be displayed. Displays for a proximate audience require the submittal of device and effect descriptions. A Site Safety Plan including emergency procedures, personal protective clothing (PPE) utilized by personnel, evacuation/help needed signal and any other pertinent information shall be submitted with permit application.
7. A written permission from the owners of the land on which the fireworks shall be discharged and upon any land which debris might reasonably fall shall be provided with permit application. **Pyrotechnic displays will not be allowed without the written permission of these land owners.**
8. The company performing the launching operations shall be responsible for any and all damages that may result from the operations.
9. Any fireworks remaining unfired after the display shall be immediately disposed of in a way safe for the particular type of fireworks remaining.
10. The City of Mount Holly Fire Marshal's Office shall have the final decision as to the fallout area and safety perimeter. The decision to conduct or postpone the show shall be at the discretion of the Mount Holly Fire Marshal's Office and/or the qualified display operator.
11. The City of Mount Holly Fire Marshal's Office representative shall conduct a site application and pre and post display safety site inspection.

CONDITION OF FIREWORKS OUTDOOR DISPLAY EVENT PERMIT

1. A permit shall be required for the firing of any fireworks inside of a building or structure.
2. No permit shall be transferred to another structure. If the show is moved to another location a **NEW** permit is required.
3. No permit shall be issued until the Mount Holly Fire Marshal's Office approves the show setup. This setup may require a pyrotechnic demonstration of the devices used in the event.
4. No permit shall be issued unless the building listed as the location of the display has had a current fire inspection and is in compliance with the North Carolina Fire Prevention Code.
5. The location of the fireworks display shall be specified as to street address, building designation and exact area within the building to assure the proposed display can be safely discharged as approved.
6. At no time shall the amount of explosive compounds inside the building listed on the permit exceed the amount necessary for one show date consumption.
