

Resolution 21-82

A RESOLUTION ADOPTING A PLAN OF SERVICE FOR THE ANNEXATION OF PROPERTY REFERENCED AS MAP 032, PARCEL 00600 IN THE WILLIAMSON COUNTY TAX MAPS BY THE TOWN OF NOLENSVILLE, TENNESSEE

WHEREAS, the property owners have made a request to the Town of Nolensville, Tennessee, to be annexed (Exhibit A);

WHEREAS, the Town of Nolensville has adopted a growth management plan known as the "Urban Growth Boundary and Justification Report" and has adopted an Urban Growth Area; and

WHEREAS, the area to be annexed by this ordinance is included within the Urban Growth Area and the Justification Report indicates that such area should be annexed by the Town of Nolensville and that office industrial zoning should be established for the area in order to be consistent with existing land uses in the area; and

WHEREAS, *Tennessee Code Annotated* Section 6-51-102 as amended requires that a plan of service be adopted by the governing body of a city prior to passage of an annexation ordinance; and

WHEREAS, the proposed property being considered for annexation is located just north of the corporate limits of the Town of Nolensville, and is contiguous to the Town's corporate boundary and the proposed property to be annexed is identified on the tax maps prepared for the Williamson County Property Assessor as being:

Map 032, Parcel 00600, Said parcel including an area of approximately 116.72 acres (more or less) as shown in the proposed Plan of Services Exhibit A, attached;

NOW, THEREFORE, BE IT RESOLVED BY THE PLANNING COMMISSION OF THE TOWN OF NOLENSVILLE, TENNESSEE:

Section 1. Pursuant to the provisions of Tennessee Code Annotated, Section 6-51-102, there is hereby recommended for adoption by the Board of Mayor and Commissioners, for the area bounded as described above, the following plan of service to inform interested residents and property owners in the area.

Location

The proposed annexation area is located south of Kidd Road and east of Nolensville Road just to the north of the Williamson County line. The proposed annexed area contains a total of 116.72 acres (more or less) and lies within the Town's Urban Growth Boundary.

Existing Land Use

The property is vacant without many improvements. The property is mostly covered with open space, mature trees, and vegetation.

Provision of Services to the Annexed Area

I. Water Service:

The entire area is located within the Nolensville/College Grove Utility District water service area. The Nolensville/College Grove Utility District has full responsibility for the expansion, operation and maintenance of their utility system.

II. Sewer Service:

The entire area is located within the Metro Nashville sewer service area. Metro Nashville has full responsibility for the expansion, operation and maintenance of their utility system. The developers of this property will be required to work with the Metro Nashville sewer department to coordinate the provision of sewer to this area and install the necessary sewer lines.

III. Police Protection:

This area is currently served by the Williamson County Sheriff's Department. Upon annexation, the Town's existing police force will be required to patrol and respond to this area. Regular patrolling, radio responses to calls and other routine police services, using present personnel and equipment, will be provided on the effective date of annexation and the Town will provide a level of service comparable to other developed areas in the Town.

IV. Fire Protection:

This area is currently served by Williamson Fire-Rescue, which is a partnership between the volunteer fire departments and Williamson County Government. The Nolensville Fire and Rescue Department will serve the property upon annexation. No additional manpower or equipment is anticipated to be needed with this phase of annexation. Fire protection by the present personnel and the equipment of the firefighting force, within the standard limitations of available water and distances from existing fire stations, will be provided on the effective date of annexation.

V. Emergency Medical Services:

No additional services or cost anticipated.

VI. Parks and Recreation:

This area is currently served by the Williamson County Parks and Recreation Department, as is the current Town corporate limits. No additional park facilities are anticipated due to this area being annexed.

VII. Road Maintenance:

Routine road maintenance service (paving, pot-hole repair, striping, signs, and R-O-W mowing) will begin in the annexed area on the effective date of annexation for all existing roads that are officially accepted and maintained, in part, by the Town in a manner consistent with current service delivery in the Town limits. Refuse collection will continue to be provided by private haulers in a manner consistent with collection inside the Town limits.

VIII. Planning and Codes Oversight:

All planning, zoning, land development regulations, and building codes of the Town will extend to the annexed area on the effective date of annexation. Existing personnel will handle oversight and enforcement of existing regulations.

IX. Future Zoning of Area:

The development of public improvements in any new subdivision in the area will occur at developer expense in accordance with the current Town subdivision regulations and construction standards. The final platting of lots, bonding of improvements, and future acceptance of improvements for perpetual maintenance shall be carried out in accordance with Town policies. On the effective date of annexation, the installation of new streets, curb and gutter sections, storm drainage facilities, street lighting, underground electrical service and other public improvements in subdivisions (or new sections thereof) authorized by the Nolensville Planning Commission will be carried out by the developer at his expense using the Town's current subdivision regulations and construction standards. The final platting of lots, bonding of improvements, and future acceptance of improvements for perpetual maintenance shall be carried out in accordance with Town policies.

X. Code Enforcement:

All inspection services now provided by the Town (building, plumbing, mechanical, gas, and other municipal codes and ordinances) will begin in the area for all new structures with permits issued by the Town after the effective date of annexation.

XI. Public Library:

Residents of the annexed area, if any, will have full access to the Williamson County Library located on Oldham Road. The library continues to place a high priority on expanding the number of collection items available to patrons.

XII. Revenues (Taxes and Fees):

The Primary sources of revenues that will be used to pay for the expanded services include property taxes, in addition to commercial building permit, adequate facilities tax and impact fee for new construction. The annual tax bill for a \$300,000 residential structure is estimated to be \$113.00 under the current Town tax rate of \$0.15 per \$100 of assessed value.

XIII. Natural Gas:

Gas service within the Town is provided by Atmos Energy under a franchise agreement with the Town. The extension of gas service into the annexed areas, if needed, will be done under the policies established by the gas company, in accordance with the Franchise agreement.

XIV. Electric Service:

The area to be annexed will receive electric service from Middle Tennessee Electric Service.

XV. Refuse Collection:

The Town currently does not provide refuse service for existing residents and therefore cannot extend these services to the newly annexed areas. Property owners will continue to utilize private hauling services.

XVI. Street Lighting:

In all newly developed areas all street lighting will be in compliance within the existing subdivision regulations and zoning ordinance of the Town Of Nolensville. Streetlights for all existing roads will be installed in a manner consistent with current service delivery in the town limits.
