Dear Mr. Wheeler,

You have assisted us with patience of steel, listened to our complaints with an admirable smile, encouraged us when we were disheartened, and enhanced our chance for success. To you, in honor, respect, and appreciation of these deeds, we, the Senior Class of 1955, would like to dedicate this 1955 edition of the War Whoop.

Sincerely,  
The Class of 1955

Then here's to P. N. High School, High School so dear!

Teachers and comrades change from year to year.

We are always pulling, as you all know.

For Port Neches High School we love just so.

And when the year is over, God bless our school.

We've done our best to mind the Golden Rule.

Never shall we falter, nor let our spirits die.

Rah, Fellows! Rah! Rah! Rah! For P. N. High!

## CLASS HISTORY

The Senior class of '55 began the new year in a whirl of excitement, pride, and sincerity. Shirley Falgout was elected Football Sweetheart, making the third consecutive year that this class had placed its candidate in this honorary position. The Senior Variety Show won first prize in the race for Football Sweetheart. We were honored with having most of the favorites chosen from our class in our Junior and Senior year. The cheerleaders from this class were Carmel Choate, Shirley Falgout, Glynda Briggs, and Loretta Waldo. We received our rings at the beginning of the year. The Football State Finals, Junior and Senior Play, Junior-Senior Prom, Senior Picnic, Awards Assembly, Baccalaureate, Commencement, and the graduation parties are memories we will cherish the rest of our lives.

The Junior Class of "55", in good old PNHS, came to our new high school with a total of 188 pupils in our sophomore year. Our class was the first sophomore class to enter the beautiful new school.

Beverly Lee was chosen Most Popular Girl of PNHS. One of the outstanding highlights was the Junior and Senior Prom, where everyone enjoyed a wonderful evening at the American Legion Hall in Beaumont. Eating, dancing and a stage show were held for everyone's enjoyment.

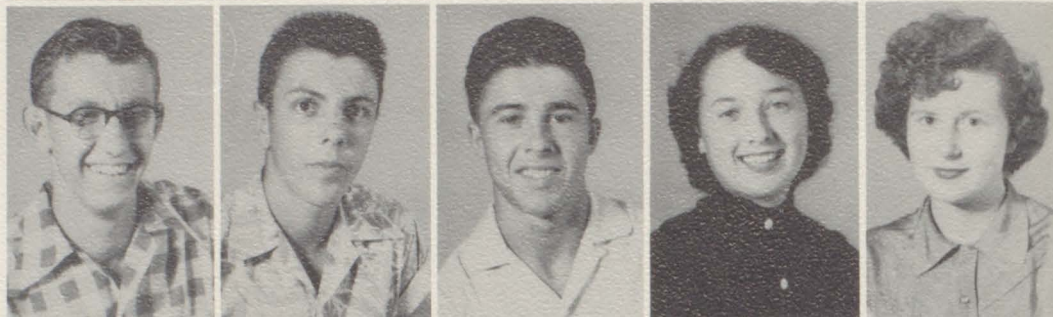

The Junior Picnic was at Honey Island, Saturday, May 21.

We had HOPED as a people and a nation that our entry into the second world conflict would contribute materially to making a world in which all people could live together with their differences, free from oppression, free from tyranny, free from want, and free from fear.

After five years of destruction of both people and property, the war was thought to have ended. We HOPED a real measure of peace and security had been achieved.

The lapse of time and events since the end of war with Germany and Japan have proven us very wrong, and yet we HOPE.

We hope that through the education available to you, through the spiritual and moral resources at your command, you will find the way to achieve the noble ideals so bravely undertaken by your parents.

As you look back through this annual, may it be a source of strength and courage to enable you to meet the challenge of the future.

May you always HOPE.

Progress and improvement are realized through combined effort and understanding. Our student body this year has made a great deal of progress through their unselfish and undivided desire and approach to improvement. One of our aims in life should be to learn to use ourselves and our influence to help others in understanding our democratic way of life. Keep ON THE MARCH Indians, and achieve even higher goals and even greater accomplishments.
