ORDINANCES AND RESOLUTIONS

A. Ord 797 - providing use of slaughterhouse activities in the B3 & N-1 – FIRST READING

Dewitt’s memo advised that Carla Mertz approached the City in regards to wanting to bring a slaughterhouse business in the City. Currently, the City of Princeton does not have a Slaughterhouse Ordinance where it is an allowable use. She had a site she was interested in that was located in the B-3 district and then a second choice of hers is in the process of being annexed into the City and zoned MN-1 Industrial.

The Planning Commission Board directed staff to draft an Ordinance that was received at their June 15th meeting, and they moved to hold a public hearing on July 20th. The Ordinance reads that a Slaughterhouse would be permitted with a Conditional Use Permit in the B-3 General Commercial District and the MN-1 Industrial District. The City has reached out to the community asking for input in order that changes and improvements in the rules can be considered and made. The City Council and City Staff have talked to a number of people on issues and topics with differing views sometimes with opposing viewpoints. At various council meeting the City Council has heard additional input on the rules and the modifications considered. The Council did make a couple minor modifications or adjustments to the rules. At that time, I was directed by the City Council to meet with Melissa Ramage and Jenny Englund to hear their concerns. Two meeting occurred leading to their request for a rule to be added.
The letter from Melissa Ramage and Jenny Englund dated July 9, 2020 is attached.

Their request was reviewed by Mayor Schumacher and Jenny Gerold and discussed with the Public Works Director and me.
