Water meters are read the 1st week of each month. Bills are produced and mailed the 16th day of each month.

If the 16th day falls on a weekend or holiday, bills will be produced and mailed the following business day.

The bills are due before the 15th day of the following month.

If the 15th day falls on a weekend, the due date will be the following business day.

A 10% penalty is added if bills are not paid by the 15th day of the month.
