

RYAN A. VIENNA

Age: 38

Occupation: Councilmember/Sheriff's Lieutenant

I am honored and humbled to have served as your City Councilmember since my first election in 2017. As a lifelong resident of San Dimas, I care deeply about my hometown and our community. It is for this reason I decided to run for office and since 2005 have served our communities with the L.A. County Sheriff's Department currently holding the rank of Lieutenant.

During my first term, I fought hard to keep my campaign promises effectively bringing change to our city. Some of my successes are enhancements to public safety resulting in decreased crime, leading the city through a historic pandemic while still providing the vital services to you and our business community, as well as leading the charge for change in City Hall so that we better serve you.

Ahead, we must continue to prioritize public safety, tackle homelessness, address quality of life issues, support responsible economic and residential development, protect open space while enhancing our parks, preserve our equestrian interest, and address budgetary challenges confronting our city.

I am seeking re-election to City Council so that I may continue to represent you and our shared interests in our city. I ask you for your vote and support.
