DESCRIPTION OF THE PROGRAM/PROJECT AND BACKGROUND INFORMATION:

Evergreen Mobile Estates, a mobile home park outside City limits but within the UGA and water service area, has been issued a compliance order to install CT6 treatment to address failing on-site wastewater systems in close proximity to its well. As an alternative to installing treatment, Evergreen Mobile Estates is considering connection to the City of Shelton water system and abandoning the compromised well.

This grant will allow the City to have a consolidation feasibility study conducted to assess the existing infrastructure, identify needed improvements, develop a cost estimate of the needed improvements, and propose a potential rate structure to finance said improvements.

In late September, staff was notified of its successful grant application via a letter of award, and recently received the grant agreement stating the grant is for the maximum award amount of \$30,000. The next step, following grant acceptance, is to procure the services of a qualified consultant to complete the feasibility study.

The CONTRACTOR must comply with the ADA, which provides comprehensive civil rights protection to individuals with disabilities in the areas of employment, public accommodations, state and local government services, and telecommunications.

6. ASSIGNMENT

Neither this Contract, nor any claim affecting the Contract terms and conditions may be transferred or assigned by the CONTRACTOR without prior written consent of DOH.

7. ATTORNEYS' FEES

8. CODE REQUIREMENTS

All construction and rehabilitation projects must satisfy the requirements of applicable local, state, and federal building, mechanical, plumbing, fire, energy and barrier-free codes. Compliance with the Americans with Disabilities Act of 1990 28 C.F.R. Part 35 will be required, as specified by the local building Department.

9. CONFORMANCE

If any provision of this contract violates any statute or rule of law of the State of Washington, it is considered modified to conform to that statute or rule of law.

10. CONFLICT OF INTEREST

Notwithstanding any determination by the Executive Ethics Board or other tribunal, DOH may, in its sole discretion, by written notice to the CONTRACTOR, terminate this Contract if it is found after due notice and examination by DOH that there is a violation of the Ethics in Public Service Act, Chapters 42.52 RCW, 42.23 RCW; or any similar statute involving the CONTRACTOR in the procurement of, or performance under this contract.

11. DISALLOWED COSTS

The CONTRACTOR is responsible for any audit exceptions or disallowed costs incurred by its own organization or that of its SUBCONTRACTORS.

12. DISPUTES

Except as otherwise provided in this Contract, when a dispute arises between the parties and it cannot be resolved by direct negotiation, either party may request a dispute hearing with the DOH Director of the Office of Drinking Water (Director), who may designate a neutral person to decide the dispute. The parties will be equally responsible for any reasonable costs incurred by the neutral.

The request for a dispute hearing must:

- be in writing;
- state the disputed issues;
- state the relative positions of the parties;
- state the requesting party's name, address, and Contract number; and
- be mailed to the other party's (respondent's) Representative within three (3) working days after the parties agree that they cannot resolve the dispute.

The respondent shall send a written answer to the requestor's statement to both the Director or the Director's designee and the requestor within five (5) working days.

The Director or designee shall review the written statements and reply in writing to both parties within ten (10) working days. The Director or designee may extend this period if necessary by notifying the parties.

The decision shall not be admissible in any succeeding judicial or quasi-judicial proceeding.

The parties agree that this dispute process shall precede any action in a judicial or quasi-judicial tribunal.

Nothing in this Contract is intended to limit the parties' choice of a mutually acceptable alternate dispute resolution (ADR) method as an alternative to or in addition to the dispute hearing procedure outlined above.

13. DUPLICATE PAYMENT

The CONTRACTOR certifies that work to be performed under this Contract does not duplicate any work to be charged against any other contract, subcontract, or other source.

14. GOVERNING LAW AND VENUE

This Contract shall be construed and interpreted in accordance with the laws of the State of Washington, and the venue of any action brought hereunder shall be in the Superior Court for Thurston County.

15. INDEMNIFICATION

CONTRACTOR agrees to defend, indemnify, and hold harmless DOH and the state of Washington for claims arising out of or incident to CONTRACTOR'S or CONTRACTOR'S SUBCONTRACTOR'S acts or omissions in the performance of the Contract. CONTRACTOR'S obligation to defend, indemnify, and hold harmless DOH and the state of Washington shall not be eliminated or reduced by any actual or alleged concurrent negligence of the state of Washington and DOH, including their agents, agencies, employees and officials. CONTRACTOR'S obligation to defend, indemnify, and hold harmless DOH and the state of Washington includes any claim by CONTRACTOR'S agents, employees, officers, SUBCONTRACTORS, or SUBCONTRACTORS' employees.

The CONTRACTOR waives its immunity under Title 51 RCW to the extent it is required to defend, indemnify, and hold harmless the state and its agencies, officers, agents or employees.

16. INDEPENDENT CAPACITY OF THE CONTRACTOR

The parties intend that an independent CONTRACTOR relationship will be created by this Contract. The CONTRACTOR and its employees, agents, or SUBCONTRACTORS performing under this Contract are not employees or agents of the state of Washington or DOH. The CONTRACTOR may not hold itself out as or claim to be an officer or employee of DOH or of the state of Washington by reason hereof, nor may the CONTRACTOR make any claim of right, privilege or benefit which would accrue to such officer or employee under law. Conduct and control of the work will be solely with the CONTRACTOR.

17. INDUSTRIAL INSURANCE COVERAGE

The CONTRACTOR must comply with all applicable provisions of Title 51 RCW, Industrial Insurance. If the CONTRACTOR fails to provide industrial insurance coverage or fails to pay premiums or penalties on behalf of its employees as may be required by law, DOH may collect from the CONTRACTOR the full amount payable to the Industrial Insurance Accident Fund. DOH may deduct the amount owed by the CONTRACTOR to the accident fund from the amount payable to the CONTRACTOR by DOH under this Contract, and transmit the deducted amount to the Department of Labor and Industries, (L&I) Division of Insurance Services. This provision does not waive any of L&I's rights to collect from the CONTRACTOR.

18. **LAWS**

The CONTRACTOR shall comply with all applicable laws, ordinances, codes, regulations and policies of local, state, and federal governments, as now or hereafter amended. All construction projects must be bid and awarded per RCW 39.04.

19. LICENSING, ACCREDITATION AND REGISTRATION

The CONTRACTOR shall comply with all applicable local, state, and federal licensing, accreditation and registration requirements or standards necessary for the performance of this Contract.

20. LIMITATION OF AUTHORITY

Only a party's Representative or the Representative's designee (designation to be made in writing prior to action) shall have the express, implied, or apparent authority to communicate with the other party regarding performance of the Contract. Changes to the Contract must be done by written amendment.

21. NONCOMPLIANCE WITH NONDISCRIMINATION LAWS

During the performance of this Contract, the CONTRACTOR shall comply with all federal, state, and local nondiscrimination laws, regulations and policies. In the event of the CONTRACTOR's non-compliance or refusal to comply with any nondiscrimination law, regulation or policy, this contract may

DOH Contract GVL24700 Page 9 of 15

be rescinded, canceled or terminated in whole or in part, and the CONTRACTOR may be declared ineligible for further contracts with DOH. The CONTRACTOR shall, however, be given a reasonable time in which to cure this noncompliance. Any dispute may be resolved in accordance with the "Disputes" procedure set forth herein.

22. PREVAILING WAGE LAW

The CONTRACTOR certifies that all CONTRACTORS and SUBCONTRACTORS performing work on the Project shall comply with state Prevailing Wages on Public Works, Chapter 39.12 RCW, as applicable to the Project funded by this contract, including but not limited to the filing of the "Statement of Intent to Pay Prevailing Wages" and "Affidavit of Wages Paid" as required by RCW 39.12.040. The CONTRACTOR shall maintain records sufficient to evidence compliance with Chapter 39.12 RCW, and shall make such records available for DOH's review upon request.

23. PROHIBITION AGAINST PAYMENT OF BONUS OR COMMISSION

The funds provided under this Contract shall not be used in payment of any bonus or commission for the purpose of obtaining approval of the application for such funds or any other approval or concurrence under this Contract provided, however, that reasonable fees or bona fide technical consultant, managerial, or other such services, other than actual solicitation, are not prohibited if otherwise eligible as project costs.

24. PUBLICITY

The CONTRACTOR agrees not to publish or use any advertising or publicity materials in which the state of Washington or DOH's name is mentioned, or language used from which the connection with the state of Washington's or DOH's name may reasonably be inferred or implied, without the prior written consent of DOH.

25. RECAPTURE

In the event that the CONTRACTOR fails to perform this contract in accordance with state laws, federal laws, and/or the provisions of this contract, DOH reserves the right to recapture funds in an amount to compensate DOH for the noncompliance in addition to any other remedies available at law or in equity.

Repayment by the CONTRACTOR of funds under this recapture provision shall occur within the time period specified by DOH. In the alternative, DOH may recapture such funds from payments due under this Contract.

26. RECORDS MAINTENANCE

The CONTRACTOR must maintain books, records, documents, data and other evidence relating to this contract and performance of the services described herein, including but not limited to accounting procedures and practices that sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Contract.

CONTRACTOR will retain such records for a period of six (6) years following the date of final payment.

If any litigation, claim or audit is started before the expiration of the six (6) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.

27. REGISTRATION WITH DEPARTMENT OF REVENUE

If required by law, the CONTRACTOR will complete registration with the Washington State Department of Revenue.

28. RIGHT OF INSPECTION

At no additional cost, all records works relating to the CONTRACTOR's performance under this Contract shall be subject at all reasonable times to inspection, review, and audit by DOH, the Office of the State Auditor, and federal and state officials so authorized by law, in order to monitor and evaluate performance, compliance, and quality assurance under this Contract. The CONTRACTOR shall provide access to its facilities for this purpose.

29. SAVINGS

In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Contract and prior to normal completion, DOH may suspend or terminate the Contract under the "Termination for Convenience" clause, without the ten (10) business day notice requirement. In lieu of termination, the Contract may be amended to reflect the new funding limitations and conditions.

30. SEVERABILITY

The provisions of this contract are intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the contract.

31. SUBCONTRACTING

The CONTRACTOR shall maintain written procedures related to subcontracting, as well as copies of all subcontracts and records related to subcontracts. For cause, DOH in writing may: (a) require the CONTRACTOR to amend its subcontracting procedures as they relate to this Contract; (b) prohibit the CONTRACTOR from subcontracting with a particular person or entity; or (c) require the CONTRACTOR to rescind or amend a subcontract.

Every subcontract shall bind the SUBCONTRACTOR to follow all applicable terms of this Contract. The CONTRACTOR is responsible to DOH if the SUBCONTRACTOR fails to comply with any applicable term or condition of this Contract. The CONTRACTOR shall appropriately monitor the activities of the SUBCONTRACTOR to assure conformity with the Scope of Work and Budget. In no event shall the existence of a subcontract operate to release or reduce the liability of the CONTRACTOR to DOH for any breach in the performance of the CONTRACTOR's duties.

Every subcontract entered into by CONTRACTOR must include a term that the State of Washington and DOH are not liable for claims or damages arising from CONTRACTOR'S or SUBCONTRACTOR'S performance or omissions.

32. SURVIVAL

The terms, conditions, and warranties contained in this Contract that by their sense and context are intended to survive the completion of the performance, cancellation or termination of this Contract shall so survive.

33. TAXES

All payments accrued on account of payroll taxes, unemployment contributions, the CONTRACTOR's income or gross receipts, any other taxes, insurance or expenses for the CONTRACTOR or its staff shall be the sole responsibility of the CONTRACTOR.

34. TERMINATION FOR CAUSE

In the event DOH determines the CONTRACTOR has failed to comply with any material term or condition of this Contract in a timely manner, DOH may suspend or terminate this Contract. Before suspending or terminating the Contract, DOH shall notify the CONTRACTOR in writing of the need to take corrective action. If corrective action is not taken within the time period stated in the DOH notice, which shall be no less than twenty (20) calendar days in the absence of good cause for a lesser period, the Contract may be terminated or suspended.

DOH reserves the right to suspend all or part of the contract, withhold further payments, or prohibit the CONTRACTOR from incurring additional obligations of funds during investigation of the alleged compliance breach and pending corrective action by the CONTRACTOR or a decision by DOH to terminate the contract.

35. TERMINATION PROCEDURES

The rights and remedies of DOH provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this contract.

DOH Contract GVL24700 Page 11 of 15

After receipt of a notice of termination, and except as otherwise directed by the DOH Representative, the CONTRACTOR shall:

- 1. Stop work under the contract on the date, and to the extent specified, in the notice;
- 2. Place no further orders or subcontracts for materials, services, or facilities except as may be necessary for completion of such portion of the work under the contract that is not terminated;
- 3. Assign to DOH, in the manner, at the times, and to the extent directed by the DOH Representative, all of the rights, title, and interest of the CONTRACTOR under the orders and subcontracts so terminated, in which case DOH has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts;
- 4. Settle all outstanding liabilities and all claims arising out of such termination of orders and subcontracts, with the approval or ratification of the DOH Representative to the extent the DOH Representative may require, which approval or ratification shall be final for all the purposes of this clause;
- 5. Transfer title to DOH and deliver in the manner, at the times, and to the extent directed by the DOH Representative any property which, if the contract had been completed, would have been required to be furnished to DOH;
- 6. Complete performance of such part of the work as shall not have been terminated by the DOH Representative; and
- 7. Take such action as may be necessary, or as the DOH Representative may direct, for the protection and preservation of the property related to this contract, which is in the possession of the CONTRACTOR and in which DOH has or may acquire an interest.

36. WAIVER

Waiver of any default or breach shall not be deemed to be a waiver of any subsequent default or breach. Any waiver shall not be construed to be a modification of the terms of this Contract unless stated to be such in writing and signed by Authorized Representative of DOH.

This new grant will allow Shelton to update and identify necessary infrastructure improvements to connect Evergreen Mobile Estates to its water system. Costs will be developed for identified improvements and shared with Evergreen Mobile Estates as part of the decision making process.

The last quarterly report serves as the final report and should include summary information about the project. Quarterly reports are due the last working day of each quarter.			
PAYMENT:	DOH will provide reimbursement to City of Shelton based on approval of quarterly reports and required deliverables. City of Shelton will provide an hourly accounting of time spent for each task in support of invoice.				
	The contractor is responsible for tracking all project expenditures as related to this contract, and for maintaining these records.				
	DOH will withhold 10 percent of the total funding amount (\$3,000) until the project is successfully completed and all deliverables are received and approved by DOH.

Re: Shelton Arts Commission Term Membership Renewal

Greetings of the day, Jordanne!

It has come to my attention that my current term of membership on the 'Shelton Arts Commission' is due to expire on 12/31/19. I continue to appreciate the mission, work and energy of the 'Shelton Arts Commission' as well as the capable leadership of Jordanne Krumpols.

I would like to have the opportunity to re-new my term of membership so that I can continue to contribute my prospective as an art historian, my experience of helping with past 'Shelton Arts Commission' projects, and be able to continue to offer my history of membership with the 'Shelton Arts Commission' as well as with other art groups in the Northwest.

Please take this written communication as my request to be able to serve for one more term on the 'Shelton Arts Commission' as a resident of Mason County.

Sincerely,

Elinor O. Lindquist

Re: Letter of Interest for Arts Commission Term Renewal

Dear Ms. Krumpols

It is my pleasure to request renewal of my term on Shelton Arts Commission. I am writing you as the newest member who would like to continue engaging with the local art community in a meaningful way.

Since my appointment, I've had the chance to discuss, select and display artwork from diverse art media created by artists in our community and our state. It has been great to collaborate with fellow commission members and to share these pieces with our community. I would like to continue this work.

I request renewal of my term past 12/31/2019. Please don't hesitate to contact me with any additional questions and thank you for your consideration.

Sincerely,

Coco Chang Shelton Resident changcocochang@gmail.com
