WELCOME WINTER ❄

Hello! My name is Corey Clark and I am the Recreation Supervisor for Fitness & Park Shelters. I've been in my current position for two years, and with the department for a total of four years, previously serving as the Office Manager.

Our fitness area has upgraded the majority of our fitness/exercise equipment with a brand new free weight area installed in 2025 and all brand-new treadmills installed in 2026. Stop by our fitness desk and ask for a tour to see our upgrades firsthand. Learn about our membership options and fitness class offerings on pages 13–15.

I'm also excited about streamlining even more of our registration processes. Coming Dec. 1, new and returning members will be able to purchase memberships online. Plus, Park Shelter Reservations and cricket field reservations (page 35) will be online in 2027.

I'm looking forward to meeting and seeing you around this season. If I don't see you in the Fitness Center, stop by one of our many winter events this season: the Annual Holiday Tree Lighting, Polar Party, and more!

Q: Are there skate trainers to rent?
A: We have a limited number of skate helpers for children, available on a first come, first served basis.

Q: How often do you Zamboni?
A: This is dependent upon how busy we are, the air temperature, etc., but typically every 90–120 minutes.

Q: What's for sale at concessions?
A: Coffee and hot chocolate are sold for $3 each Friday–Sunday, as well as during the holiday breaks.

Q: Can I rent the Rink?
A: No, the Rink is not available to rent. The Great Hall seating area is available for gatherings on a first come, first served basis.

Q: Can I bring a large group?
A: Please call 248.524.3484 at least two weeks in advance if you plan on bringing a large group to skate. This will ensure staff can be prepared for the volume of rentals.

INCLEMENT WEATHER

Troy Recreation Department reserves the right to delay opening or close the Rink whenever we feel it is in the best interest and safety of patrons and staff. The decision to close the facility for inclement weather is based on the severity of conditions.

The ice is not covered. Because of this, the ice will be heavily impacted by outdoor precipitation and weather conditions. As temperatures get warmer, heat may cause the ice to melt resulting in puddles of water on the ice.

The Troy Recreation Department may delay opening or close the Rink under the following circumstances:

- The air temperature reaches -15 degrees or colder.
- The wind chill index reaches -15 degrees or colder and/or a wind chill warning has been issued by the National Weather Service.
- Warm temperatures/sun exposure soften the ice.
- There is a severe snow/ice event causing pavilion, surrounding areas, and ice to be unsafe.
- There are heavy rain/thunderstorms causing the ice to be unusable.

STINE PARK ALERTS

Should we have to cancel an event, delay opening, or close the Rink due to inclement weather, we'll send a Stine Park Alert. Sign up for texts and/or emails to be notified first. **Subscribe or unsubscribe at:** *rec.troymi.gov/alerts*

WHAT'S NEW?

INCLUSIVE PLAY STRUCTURE AT BOULAN PARK

On Sunday, Sept. 27, we celebrated the opening of our inclusive play structure with a ribbon cutting ceremony. This marks the conclusion of phase 1 of a multi-phase project. The inclusive play area is partially funded through grants like the Community Development Block Grant and Oakland County Parks. The first few phases included the replacement of the 5–12-year-old play structure, complete perimeter fencing, and landscaping. The replacement structure features a unique climbing cable system with various landings for rest. This system allows kids of various mobility levels to participate in one structure. The climbing system can be used completely with upper body movement. Learn more about this project at ***rec.troymi.gov/parks.***

ALL DRAINS LEAD TO THE RIVER

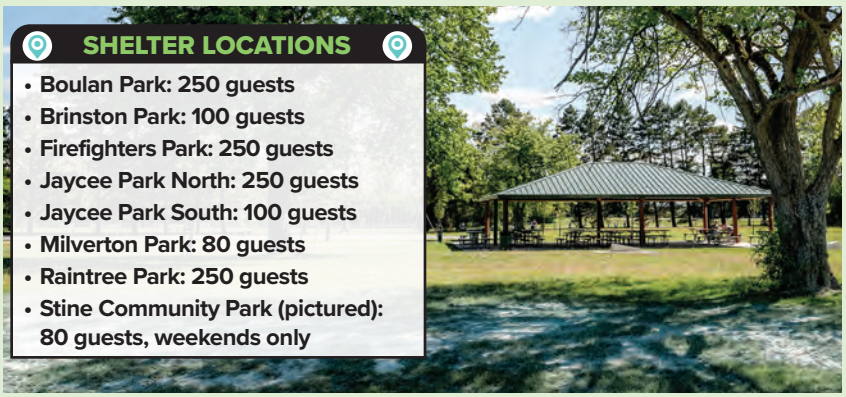

If you've been out and about at our parks and trails lately, you may have noticed new murals at some of our drains. Thanks to the artists selected by the Clinton River Watershed Council, this mural and others highlight the importance of keeping our storm system and waterways clean. Find these murals at: City Hall, Troy Public Library, the Rink at Stine Park, Jaycee Park, and Robinwood Park. Special thanks to the artists: Krista Skytta, Ashley Weinberg, Gail Borowski, Nicole Puscas, and Amanda Sgarlata.

This year, a limited number of trees will be available for participants to tap themselves or to be tapped by staff members. You have the choice of "leasing" a maple tree that will be tapped by your group of up to 5 participants at $60 per tree, a maple tree that will be tapped by staff members (guests are not present for tapping) at $50 per tree, or a maple tree that is too young to collect sap from (no tap) at $30 per tree. All tree leases include a Rent-a-Maple package that will contain the following:

- A spile for tree tapping at home
- One pint of pure maple syrup
- Maple sugar candy
- Other special surprises
- A "certificate of appreciation"

Leases must be purchased by Jan. 22, 2027. Rent-a-Maple packages will be available for pick-up at the Stage Nature Center starting on Feb. 27, 2027. Groups that are tapping their own trees will be scheduled to tap on Feb 27. For purchasing details, please call the SNC at 248.688.9703.
