

# Beanstack for Mobile Devices

## How to set up an account as a new user:

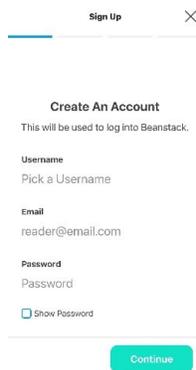

Open the Beanstack app and tap "Find your school or library".

Tap on "Carnegie Library- South Region."

Tap on the option to sign up for an account.

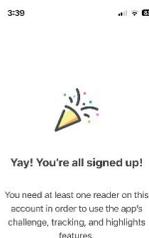

*It is highly recommended that the account holder is the adult caregiver. If you are a tween or teen using Beanstack on your own, use your information.*

The next two screens will prompt you to fill in your contact information.

Beanstack checks emails and phone numbers of all accounts. If your email or phone number is associated with another account, you'll be prompted to contact the Beanstack administrator at 412-622-3114 for assistance

Before your set up is complete, you will need to select your library.

Use the drop-down menu to scroll to UPPER ST. CLAIR.

Once you've set up your account, you can add readers.

You can also create your own reader account to use for adult programs.

Follow the prompts on the next screens to add readers who will be using Beanstack.

Reading and activity programs will be presented to your account based on the ages you input at time of set up.

Once your reader is established, you'll be able to enroll them programs.

For questions or concerns regarding the Upper St. Clair Township Library "Books Before..." or seasonal activity programs, please contact the Library at 412-835-5540 or email at [uscl@einetwork.net](mailto:uscl@einetwork.net).
