# Main Street Mini Masters - in The Village

## OVERVIEW

The **Main Street Mini Masters** was created in 2024 in response to the request for more family-friendly activities in The Village. The inaugural event was a fun-filled day and provided a great way bring people of all ages into The Village and to raise funds for Main Street GP! Based on the overwhelming success the event has been added to the annual event offerings of Main Street Grosse Pointe.

**What is the Main Street Mini Masters?** It's an 18-hole mini golf course right on Kercheval, with a slightly reduced 2025 footprint from Notre Dame to Neff (which would be closed from 8am until 9pm.)

**When is the Main Street Mini Masters?** Saturday, September 20, 2025

**How does the Main Street Masters work?** Just like a regular golf outing (sort of)! Foursomes pre-register and play 18 (mini) holes for fun and prizes. Options will include a flight for families and one for adult teams. In addition to golf, participants will receive swag bags, lunch tickets, the chance to win prizes and more! Additional fun activities such as activity tents, DJ, games and some surprises will round out a fun-filled day in The Village.

**How can I be a part of all the fun??** Sponsors can purchase a hole for \$300.00 this would include the hole set up, balls and putters provided by *Putt 2 Go*, signage for the hole, and all promotional material, including print ads, posters and social media. Hole sponsors are encouraged to decorate **around** their space and make it their own! Other sponsorships levels are also available.

Or, you can enter a foursome and spend the day (mini) golfing!

**What else do I need to know now?** Tickets will be available online and at participating stores.
