

CITY OF WASHINGTON ACCEPTABLE RECYCLING LIST

Effective July 1, 2020 East Carolina Vocational Center (ECVC) that receives the City of Washington recycling will no longer be able to accept some of the items that had been collected in the past. There are no financially equitable recycling markets in eastern North Carolina for some of our recyclables. The following items should be separated from your regular garbage for recycling pickup. Recyclables can be commingled and remember no plastic bags.

Please read the items below carefully that will be accepted.
